| EDL20011 | 11"   | 95                   | 1/10/40  |

### Metal Sheet Locking Pliers

Clamping Steel

- The jaws are forged with high quality carbon steel to offer good toughness and prevent deformation
- The handle are formed with alloyed steel to prevent deformation
- Easy adjustment of opening size with a fine adjustment screw

| Item #  | Spec. | Max. Jaw Opening(mm) | Pack Qty |
|---------|-------|----------------------|----------|
| DL20016 | 10"   | 52                   | 1/2/24   |

### Welding Locking Pliers

Clamping Steel

- The jaws are forged with high quality carbon steel to offer good toughness and prevent deformation
- The handle are formed with alloyed steel to prevent deformation
- Easy adjustment of opening size with a fine adjustment screw

| Item #  | Spec. | Max. Jaw Opening(mm) | Pack Qty |
|---------|-------|----------------------|----------|
| DL20017 | 10"   | 62                   | 1/2/24   |

# PLIERS

## Chain Clamp Locking Pliers

- The jaws are forged with high quality carbon steel to offer good toughness and prevent deformation
- The handle are formed with alloyed steel to prevent deformation
- Easy adjustment of opening size with a fine adjustment screw

| Item #  | Spec. | Chain Length(mm) | Pack Qty |
|---------|-------|------------------|----------|
| DL20018 | 18"   | 450              | 1/5/30   |

## Pipe Pliers

- Precision worm knurled nuts, smooth to use, easy to adjust, flexible and durable
- Overall heat treatment, high hardness, high torque, strong toughness
- Ergonomical handle with environment-friendly materials for comfortable and anti-slip grip

| Item #  | Spec. | Max. Jaw Opening(mm) | Pack Qty |

## 1/4" 12PCS Scket Set

1/4"

- 50BV30 material, chrome-plated treatment, widely used in mining, metallurgy, shipbuilding, electric input power, auto repair industries
- sturdy and durable, easy to carry

| Item #   | Pack Qty |
|----------|----------|
| EDL0012T | 1/6/42   |

12pcs sockets set : 1x4" extension rod 1x45T ratchet  
10pcs 6.3mm series sockets (5, 6, 7, 8, 9, 10, 11, 12, 13, 14mm)

## 1/2" 12PCS Socket Set

1/2"

- 50BV30 material, chrome-plated treatment, widely used in mining, metallurgy, shipbuilding, electric input power, auto repair industries
- sturdy and durable, easy to carry

| Item #   | Pack Qty |
|----------|----------|
| EDL2012T | 1/6/12   |

12pcs sockets set : 1x4" extension rod 1x45T ratchet  
10pcs 6.3mm series sockets (10, 11, 12, 13, 14, 15, 17, 19, 21, 24mm)

### 1/4" 10PCS Socket Set

1/4"

- 50BV30 material, chrome-plated treatment, widely used in mining, metallurgy, shipbuilding, electric input power, auto repair industries
- Sturdy and durable, easy to carry

| Item #   | Pack Qty |
|----------|----------|
| EDL2010T | 1/1/12   |

10pcs sockets set :  
9pcs 12.5mm series socket (10, 12, 13, 14, 17, 19, 21, 22, 24mm)  
1x 250mm joint rod

### 1/2" 24PCS Socket Set

1/2"

- 50BV30 material, chrome-plated treatment, widely used in mining, metallurgy, shipbuilding, electric input power, auto repair industries
- Sturdy and durable, easy to carry

| Item #   | Pack Qty |
|----------|----------|
| EDL2024T | 1/1/4    |

24pcs sockets set :  
17pcs 12.5mm series socket  
(10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 24, 27, 30, 32mm)  
2x 125mm extension rod  
1x 250mm extension rod  
1x 12.5mm augmentation rod 380mm  
1x 12.5mm sliding joint rod 250mm  
1x universal jointer  
1x 45T ratchet wrench

### 46PCS 6.3MM Sockets Set

1/4" Cr-V

- 50BV30 material, chrome-plated treatment, widely used in mining, metallurgy, shipbuilding, electric input power, auto repair industries
- High-quality plastic box, sturdy and durable, easy to carry

## Screwdriver Series

### Precautions:

1. Before use, please wipe off the oil on the screwdriver and the port to avoid slipping and accidents during work.
2. Please select the screwdriver specification that matches the notch on the bolt or screw. If the mouth end is too thin and easy to break, if it is too thick, it cannot be completely embedded in the groove, which is easy to damage the knife edge or the bolt notch.
3. Screwdrivers cannot be used as pry bars or chisels.
4. This product cannot be used as a substitute for impact screwdrivers.
5. The blade of the screwdriver is damaged, deformed, the handle is cracked and damaged, please stop using it.

### Slotted Screwdriver

- Rubber-plastic bi-material handle for comfortable grip
- SUPII shank, high hardness, good toughness, durability and longer life
- Strong magnetic bits
- Anti-rotation bumps on the front of handle to prevent the tool from rolling
- Matte-finished shank to avoid reflection of strong light

| EDL236911 | 10.5"(265mm) | Nose piece specifications: 2.4-3.2-4.0-4.8mm | 1/-/24   |

## Double arm Riveter

- Cr-Mo alloy steel for better riveting performance
- Replaceable nose for convenient operation
- Coated handle for comfortable grip, labor-saving and convenient

| Item #    | Spec.      | Nozzle                                           | Pack Qty |
|-----------|------------|--------------------------------------------------|----------|
| EDL236913 | 13"(330mm) | Nose piece specifications: 2.4-3.2-4.0-4.8-6.4mm | 1/-/12   |

## Hand Riveter sets

- The claw adopts Cr-Mo alloy steel for better riveting performance
- Aluminum alloy body and ergonomic handle for comfortable grip
- Multiple adjustable guide nozzle for different workplaces

| Item # | Spec.            | Pack Qty |
|--------|------------------|----------|
| DL2313 | M5,M6,M8,M10,M12 | 1/-/6    |

## 3-in-1 Hand Riveter

- 3-in-1 multifunctions for a wide range of use, and easy carry
- Reasonable structure design, easy and labor-saving
- TPR rubberized handle for comfortable grip

| Item #   | Pack Qty |
|----------|----------|
| DL236031 | 1/-/6    |

Spec.: Nozzle:  $\phi$  2.4/3.2/4.0/4.8/6.4  
Reaming: Arc, Square, Socket, etc

## 5-in-1 Nails

- Plastic box package
- Fast nailing, improve work efficiency

| Item #    | Spec.                                            | Pack Qty |
|-----------|--------------------------------------------------|----------|
| EDL236906 | 2.4mm×15, 3.2mm×15, 4.0mm×15, 4.8mm×15, 6.0mm×15 | 1/24/96  |

## Staple Gun

- Full steel structure for long lasting
- Compact size for easy carry and emergent use
- Suitable for 4-8mm D nail

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL238001 | 4-8mm | 1/10/40  |

## Staple Gun

- Full steel structure for long lasting
- Adjustable hitting force, easy to operate
- Widely used in box making, packaging, furniture, decoration, leather, rattan and shoe making industries
- Suitable for D/U/T nails

| Item #  | Spec.        | Pack Qty |
|---------|--------------|----------|
| EDL1313 | 3-in-1 4-8mm | 1/10/40  |

## D/T/U-Nail

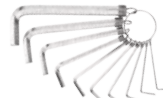

- Carbon material
- 2.8\*11.2\*1.2mm\*2000pcs

| Item #    | Spec.                 | Pack Qty |
|-----------|-----------------------|----------|
| EDL238011 | 8*11.2*1.2mm, 2000pcs | 1/24/96  |
| EDL238010 | 10*2*1.2mm, 2000pcs   | 1/24/96  |
| EDL238012 | 12*6.3*1.2mm, 2000pcs | 1/24/96  |

## Flat End Hex Key Set

EDL3080

EDL3011

- High quality Cr-V steel for excellent performance
- Complete specifications for a wide range of applications
- Atomized surface, beautiful, practical, and rustproof
- Laser marking, clear and wear-resistant

| Item # | Spec.                                 | Pack Qty |

## Fiberglass Tape Measure

- High-quality fiberglass tape, printed graduation for easy reading and friction resistance
- High strength ABS case

| Item # | Spec.      | Accuracy | Pack Qty |
|--------|------------|----------|----------|
| DL9810 | 10m×12.5mm | II       | 1/10/60  |

## Fiberglass Tape Measure

- Ruler width 14.5mm, PVC gluing process
- Built-in 28 tensile fiber filaments
- The printing is clear and easy to read, resistant to abrasion
- Shell ABS engineering plastic
- TPR encapsulation

| Item #    | Spec.      | Accuracy | Pack Qty |
|-----------|------------|----------|----------|
| EDL9820ZY | 20m×14.5mm | II       | 1/10/40  |
| EDL9830ZY | 30m×14.5mm | II       | 1/10/40  |
| EDL9850ZY | 50m×14.5mm | II       | 1/5/20   |

## Long Tape Ruler

- High quality Fiberglass blade
- ABS frame case for high strength
- Ergonomic handle for comfortable holding

| Item #  | Spec.       | Accuracy | Pack Qty |
|---------|-------------|----------|----------|
| DL98100 | 100m×12.5mm | II       | 1/-/10   |

## Long Tape Ruler

- High quality carbon steel blade
- ABS plastic case for high strength
- Ergonomic handle for comfortable holding

| Item # | Spec.       | Accuracy | Pack Qty |
|--------|-------------|----------|----------|
| DL9030 | 30m×12.5mm  | II       | 1/-/20   |
| DL9050 | 50m×12.5mm  | II       | 1/-/20   |
| DL9100 | 100m×12.5mm | II       | 1/-/10   |

## Long Tape Ruler

- PVC gluing process
- The tape contains multiple fiberglass filaments for tension resistance

| Item #  | Spec.      | Accuracy | Pack Qty |
|---------|------------|----------|----------|
| DL98030 | 30m×12.5mm | II       | 1/-/20   |
| DL98050 | 50m×12.5mm | II       | 1/-/20   |

## Long Tape Ruler

- High quality carbon steel blade
- Stainless steel case
- Ergonomic handle for comfortable holding

| Item # | Spec.      | Accuracy | Pack Qty |
|--------|------------|----------|----------|
| DL9130 | 30m×12.5mm | II       | 1/-/10   |
| DL9150 | 50m×12.5mm | II       | 1/-/10   |

## Long Tape Ruler

- High quality carbon steel blade
- Comfortable handle design
- Metal pull ring, reliable and anti-rust

| Item #  | Spec.       | Accuracy | Pack Qty |
|---------|-------------|----------|----------|
| DL91100 | 100m×12.5mm | II       | 1/-/10   |

## Long Tape Ruler

- PVC gluing process treatment
- Retract at about 3 times faster than normal tape measure
- The tape contains multiple fiberglass filaments for tension resistance

| Item #   | Spec.       | Accuracy | Pack Qty |
|----------|-------------|----------|----------|
| DL98030B | 30m×14.5mm  | II       | 1/-/20   |
| DL98050B | 50m×14.5mm  | II       | 1/-/20   |
| DL98100B | 100m×14.5mm | II       | 1/-/10   |

# MEASURING TOOLS

## Long Tape Ruler

- Blade is made of carbon steel
- Retract at about 3 times faster than normal tape measure for quick storage
- Engineering plastic frame, light and durable

| Item #  | Spec.       | Accuracy | Pack Qty |
|---------|-------------|----------|----------|
| DL9030G | 30m×12.5mm  | II       | 1/-/20   |
| DL9050G | 50m×12.5mm  | II       | 1/-/20   |
| DL9100G | 100m×12.5mm | II       | 1/-/10   |

## Laser Steel Tape Measure

- 2-in-1 model, laser measurement (40m) and tape measurement (5m)
- Powered by polymer battery for repeated use
- LCD reverse display, with backlight, 2 measurement
- Benchmark m(in/ft) 3 switchable units
- Multifunctional measurement: Area, Volume, Pythagorean theorem
- With battery indicator, charging display, display light

| Item #  | Tape Length (m) | Tape Width (mm) | Pack Qty |
|---------|-----------------|-----------------|----------|
| DL4172A | 5               | 19              | 1/-/30   |

|                                  |                  |

## Steel Ruler

- 2Cr13 stainless steel ruler body, sturdy and durable
- Chemical corrosion scale, accurate and wear-resistant

| Item #   | Spec.  | Pack Qty |
|----------|--------|----------|
| EDL8015Y | 150mm  | 1/50/600 |
| EDL8020Y | 200mm  | 1/50/500 |
| EDL8030Y | 300mm  | 1/50/400 |
| EDL8050Y | 500mm  | 1/10/200 |
| EDL8100Y | 1000mm | 1/20/60  |

## Steel Angle Ruler

- The ruler body is made of stainless steel and the base is made of die-cast aluminum, which is sturdy and durable
- Double-sided scale, surface finishing, precise and clear measurement

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL302300 | 300mm | 1/6/60   |
| EDL302350 | 350mm | 1/6/60   |
| EDL302500 | 500mm | 1/6/60   |

## Triangle Rule

- The ruler body is made of stainless steel and the base is made of die-cast aluminum, which is sturdy and durable
- Double-sided scale, surface finishing, precise and clear measurement

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL303150 | 150mm | 1/10/60  |
| EDL303200 | 200mm | 1/10/60  |

## Zinc Alloy Steel Square

- Thicker ruler body, durable
- Laser printing, clear and clear
- Aluminum alloy handle, hard and firm
- Rivet triangle reinforcement, tightly connected, not easy to fall off

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL302150 | 150mm | 1/6/60   |
| DL302200 | 200mm | 1/6/60   |
| DL302250 | 250mm | 1/6/60   |

## Tankers' Dipstick

- 600g pure copper pendant
- High-grade steel blade with electroplated surface, for abrasion resistance and rust proof
- Ergonomic handle for comfortable grip

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL9405 | 0-5m  | 1/-/10   |
| DL9410 | 0-10m | 1/-/10   |
| DL9415 | 0-15m | 1/-/10   |
| DL9420 | 0-20m | 1/-/10   |
| DL9430 | 0-30m | 1/-/10   |

## Torpedo Level

- Magnetic bottom, stable measurement
- 3-in-1 function: horizontal, vertical, 45° measurement
- ABS body, lightweight and easy to carry

| Item #    | Spec. | Accuracy | Pack Qty |
|-----------|-------|----------|----------|
| EDL290230 | 230mm | 1mm/m    | 1/-/100  |

## Spirit Level

- Magnet for easy operation
- Oxidation treated surface
- Leveling vials comes with 1mm/m accuracy
- Soft rubber molded on both ends, crash resistance
- High-precision vials, CNC machining processed internal face for a smooth surface and uniform curving rate

| Item #      | Spec.  | Accuracy | Pack Qty |
|-------------|--------|----------|----------|
| EDL700400B  | 400mm  | 1mm/m    | 1/-/50   |
| EDL700600B  | 600mm  | 1mm/m    | 1/-/50   |
| EDL700800B  | 800mm  | 1mm/m    | 1/-/50   |
| EDL7001000B | 1000mm | 1mm/m    | 1/-/50   |

## Levels with Aluminum Diecast Casing

- Aluminum body with thickness over 3mm for high strength
- High accuracy with Class I Level vial (0.5mm/m)
- Shockproof and UV-proof bubble ensures no leakage, no discoloration, and accuracy decrease
- CNC fine milling for flat surface and accurate measurement
- Rubber cover on both ends for crash and shock resistance

| Item #   | Spec.  | Accuracy | Pack Qty |
|----------|--------|----------|----------|
| DL29030I | 300mm  | 0.5mm/m  | 1/-/50   |
| DL29060I | 600mm  | 0.5mm/m  | 1/-/30   |
| DL29100I | 1000mm | 0.5mm/m  | 1/-/20   |

## Vernier Caliper

- Four-in-one measurement of outer size, inner size, depth, and step, suitable for a wide range of scenarios
- Laser engraving, clear and wear-resistant

| Item #   | Spec.   | Accuracy | Division Value | Pack Qty |
|----------|---------|----------|----------------|----------|
| EDL92150 | 0-150mm | ±0.08    | 0.02mm         | 1/5/30   |

## Spirit Level with View Windows

- Three bubbles with Class I accuracy
- Rubber cover on two ends for shock proof
- Thickened body and milled bottom for stable measurement
- Two-way reading with 90° bubble design for convenient measurement of wall corner

| Item #    | Spec. | Accuracy | Pack Qty |
|-----------|-------|----------|----------|
| DL290600S | 600mm | 0.5mm/m  | 1/-/50   |

## Folding Spirit Level

- Foldable design for two-way measurement
- Soft rubber molded on both ends, crash resistance
- Thickened body to ensure high strength, long lasting measure
- CNC milled bottom to ensure the flatness and accuracy of measurement

| Item #    | Spec. | Accuracy | Pack Qty |
|-----------|-------|----------|----------|
| DL290600Z | 600mm | 0.5mm/m  | 1/-/30   |

## Plastic Caliper

- Digital display screen, quick display
- one-click switch, one-click public English switch, one-click zero clearance
- PA66 nylon material, lightweight and convenient

| Item #  | Spec.   | Accuracy | Division Value | Pack Qty |
|---------|---------|----------|----------------|----------|
| DL90150 | 0-150mm | ±0.3     | 0.1mm          | 1/10/60  |

## Spirit Level with Fine Milled Base

- 3-in-1 function: horizontal, vertical, 45° measurement
- Spirit Level with 0.5mm/m accuracy
- CNC fine milling for flat surface and accurate measurement
- Thickened cover of two ends for impact and shock resistance
- Clear scale on the body for convenient lineation and measurement

| Item #    | Spec.  | Accuracy | Pack Qty |
|-----------|--------|----------|----------|
| EDL290300 | 300mm  | 0.5mm/m  | 1/10/60  |
| EDL290400 | 400mm  | 0.5mm/m  | 1/10/60  |
| EDL290500 | 500mm  | 0.5mm/m  | 1/10/60  |
| EDL290600 | 600mm  | 0.5mm/m  | 1/10/60  |
| EDL290800 | 800mm  | 0.5mm/m  | 1/10/60  |
| EDL291000 | 1000mm | 0.5mm/m  | 1/5/30   |

## Professional Spirit Level

- 3-in-1 function: Horizontal, Vertical, 45°
- Horizontal bubble accuracy can reach 0.5mm/m
- More accurate measurement: CNC precision milling ensures that the measuring surface is more straight

| Item #    | Spec.  | Accuracy | Pack Qty |
|-----------|--------|----------|----------|
| DL290300G | 300mm  | 0.5mm/m  | 1/10/60  |
| DL290400G | 400mm  | 0.5mm/m  | 1/10/60  |
| DL290500G | 500mm  | 0.5mm/m  | 1/10/60  |
| DL290600G | 600mm  | 0.5mm/m  | 1/10/60  |
| DL290800G | 800mm  | 0.5mm/m  | 1/10/60  |
| DL291000G | 1000mm | 0.5mm/m  | 1/5/30   |

## Vernier Caliper

- Four-in-one measurement of outer size, inner size, depth, and step, suitable for a wide range of scenarios
- Laser engraving, clear and wear-resistant

| Item #   | Spec.   | Accuracy | Division Value | Pack Qty |
|----------|---------|----------|----------------|----------|
| EDL92200 | 0-200mm | ±0.08    | 0.02mm         | 1/5/30   |

# MEASURING TOOLS

## Digital Vernier Caliper

- Stainless steel blade with 3-button operation
- Large LED display for fast measurement and clear reading
- Zn-alloy meter shell
- Input powered by 1.55v SR44 button battery

| Item #   | Spec.   | Accuracy | Division Value | Pack Qty |
|----------|---------|----------|----------------|----------|
| EDL91150 | 0-150mm | ±0.03    | 0.01mm         | 1/-/30   |

## Dial Vernier Caliper

- 4Cr13 stainless steel ruler body
- Two-way shockproof dial
- Indicator comes with screw locking

| Item #   | Spec.   | Accuracy | Division Value | Pack Qty |
|----------|---------|----------|----------------|----------|
| DL92200B | 0-200mm | ±0.03    | 0.02mm         | 1/-/30   |
| DL92300B | 0-300mm | ±0.03    | 0.02mm         | 1/-/30   |

## Exterior Diameter Micrometer

DL9325

DL9350

- Alloy steel measuring plane for abrasion resistance and high accuracy
- Comes with force measuring device-micrometer screw locking switch

| Item # | Spec.   | Accuracy | Division Value | Pack Qty |
|--------|---------|----------|----------------|----------|
| DL9325 | 0-25mm  | ±0.004   | 0.01mm         | 1/-/50   |
| DL9350 | 25-50mm | ±0.004   | 0.01mm         | 1/-/50   |

## Mechanical Distance Measuring Wheel

- Division value: 0.1mm, Accuracy: ±0.5%
- High strength ABS wheel hub
- Non-slip wheel for different measuring conditions
- 2-stage aluminum scalable handle for easy storage and carrying

| Item #    | Wheel Diameter | Accuracy | Division Value | Measuring Range | Pack Qty |
|-----------|----------------|----------|----------------|-----------------|----------|
| EDL330060 | 150mm          | ±0.5%    | 0.1m           | 0-9999.9        | 1/-/10   |

## Mechanical Distance Measuring Wheel

- Division value: 0.1mm, Accuracy: ±0.5%
- Foldable design for easy storage
- Non-slip wheel for different measuring conditions

| Item #    | Wheel Diameter | Accuracy | Division Value | Measuring Range | Pack Qty |
|-----------|----------------|----------|----------------|-----------------|----------|
| EDL330112 | 300mm          | ±0.5%    | 0.1m           | 0-99999.9       | 1/-/6    |

## Digital Measuring Wheel

- Metric and imperial switch
- Large LCD digital display, 5 sets of data storage
- 3-stage aluminum scalable handle for easy storage and carrying

| Item #  | Wheel Diameter | Accuracy | Division Value | Measuring Range | Pack Qty |
|---------|----------------|----------|----------------|-----------------|----------|
| EDL9713 | 159mm          | ±0.5%    | 0.1m           | 0-99999.9       | 1/-/10   |

## Digital Distance Measuring Wheel

Plastic frame

- Metric and imperial switch
- Large LCD digital display, 5 sets of data storage
- 3-stage aluminum scalable handle for easy storage and carrying

| Item #  | Wheel Diameter | Accuracy | Division Value | Measuring Range | Pack Qty |

# MEASURING & LAYOUT TOOLS

## Laser Levels

- LD green beam, for outdoor use
- Long operating time: >8h
- Touch button, convenient and sensitive

Battery/Charge

Easy Carry

360° precision fine tuning

Multipurpose:  
home/project construction

- Laser enhancement point, fine beam, easy and convenient
- Angle  $\pm 3^\circ$ , automatic alarm if exceed the range, and self-leveling in 5s

| Item #    | Spec    | Laser   | Accuracy                     | Pack Qty |

# TRMS Digital Multimeter

EDL334302

| Item #    | Max Reading | Auto/Manual  | Pack Qty |
|-----------|-------------|--------------|----------|
| EDL334302 | 3999        | Auto Ranging | 1/10/40  |

- Max 3999 display; CAT III; Auto ranging
- Main measurement functions: AC and DC voltage, AC and DC current, resistance, capacitance, battery testing
- With data retention, NCV, diode, on-off, low voltage indication, automatic shutdown, LCD backlight, flashlight, etc

|                     |                                   |

## Mini 2 Beam Laser Level

- Compact design for easy carrying
- LD laser with high visibility and efficiency
- Accuracy:  $\pm 3\text{mm}/10\text{m}$
- Gravity pendulum for automatic setting within  $4^\circ$  angle
- Projecting oblique beams for various working conditions

| Item #   | Specification | Laser Type    | Accuracy                    | Pack Qty |
|----------|---------------|---------------|-----------------------------|----------|
| DL332102 | 2 Beam        | Red beam      | $\pm 3\text{mm}/10\text{m}$ | 1/-/30   |
| DL332202 | 2 Beam        | LD green beam | $\pm 3\text{mm}/10\text{m}$ | 1/-/30   |

## Thermometer

- Time, temperature and humidity display on the same screen
- 4 inch LCD large screen display
- Double 7 battery power supply for long time use, up to 12 months
- humidity division to 0.1 degrees, accuracy  $\pm 1^\circ\text{C}$

| Item #   | Temperature Range          | Humidity Range | Screen Size | Accuracy1             | Accuracy2          | Pack Qty |
|----------|----------------------------|----------------|-------------|-----------------------|--------------------|----------|
| DL336001 | $-10\sim 60^\circ\text{C}$ | 10%RH~99%RH    | 4 inch      | $\pm 1^\circ\text{C}$ | $\pm 5\%\text{RH}$ | 1/12/96  |

## Laser Level

- LD Green light clear and efficient
- Measurement accuracy:  $\pm 5\text{mm}/7\text{m}$ ; precision leveling
- Long battery life, over 8h working time
- $\pm 3^\circ$ , Over standard automatic alarm, 5s inside automatic flat
- Touch button, portable and sensitive

| Item #     | DL332402                     | DL332403                     | DL332405                     |

## Laser Level

- LD Green light: clear and efficient;
- Measurement with high accuracy,  $\pm 1\text{mm}/5\text{m}$ ; accurate leveling
- 7mm close ground level
- $\pm 3^\circ$ , Over standard automatic alarm, 5s inside automatic flat
- Equipped remote control for remote control

| Item #     | DL332708                     | DL332712                     | DL332716                     |

## Laser Tripod

- Rocker operates smoothly and flexibly
- 3-gear retractable structure for flexible applications
- Comes with leveling bubble
- Abrasion resistant, stands firmly

| Item #   | Specification | Weight | Pack Qty |
|----------|---------------|--------|----------|
| DL4161-2 | 1.2m          | 1.2kg  | 1/-/20   |

## Laser Tripod

- Light and portable; aluminum alloy
- Durable and stable; horseshoe type pad
- Aluminum alloy material; metal joints
- Contain horizontal bubbles, leveling and portable
- Portable rocker, rotary swing handle design

| Item #    | Spec. | Product Weight | Pack Qty |
|-----------|-------|----------------|----------|
| DL332001A | 1.5m  | 1.2kg          | 1/-/20   |

## Laser Tripod

- Light and portable; aluminum alloy
- Durable and stable; horseshoe type pad
- Aluminum alloy material; metal joints
- Contain horizontal bubbles, leveling and portable
- Portable rocker, rotary swing handle design

| Item #    | Spec. | Product Weight | Pack Qty |
|-----------|-------|----------------|----------|
| DL332001B | 1.5m  | 1.1kg          | 1/-/20   |

## Mini Multimeter

- Small machine body, carry it along with you
- Flip machine body, easy storage
- LCD displays 3 3 / 4 bit, maximum reading Number 3999
- Main features of : AC DC current, AC DC voltage, resistance, frequency, capacitor, open break and diode test
- Contain NCV, data retention and automatic shutdown functions

| Item #               | Max. Readout     | Auto/Manual Ranging | Pack Qty   |
|----------------------|------------------|---------------------|------------|
| DL334005             | 3999             | Auto Ranging        | 1/10/40    |

## Large Screen Multimeter

- 5 inch large screen; clearly display
- Smart and light; easy to carry
- Fully automatic measuring range; quick identification
- LCD displays 3 5 / 6 bit, maximum reading number 5999
- Main features of : AC / DC voltage, resistance, capacitance, disconnection and diode test
- Contain NCV, lighting, data retention, zero firewire measurement, true effective value measurement, and automatic shutdown functions

| Item #               | Max. Readout                     | Auto/Manual Ranging | Pack Qty   |

## Digital Display Multimeter

- Easy to carry, small and portable
- Light lighting, dark unobstructed
- Fully automatic measuring range, quick identification
- Two-way display, rotating the screen
- Main features of : AC DC voltage, AC DC current, frequency, resistance, capacitance, disconnection and diode test
- Contain NCV, lighting, data retention, zero firewire measurement, true effective value measurement, and automatic shutdown functions

## Metal Detector

- Dual alarm mode, vibration alarm, audible and optical alarm
- It is suitable for a variety of occasions and detecting a variety of metal devices
- Adjustable sensitivity

| Item #              | DL333401                                                                                      |
|---------------------|-----------------------------------------------------------------------------------------------|
| Detect Distance     | ① Big Head Pin 2~3cm; ② Blade 5~10cm<br>③ 64 Pistol 10~15cm ④ Diameter 20mm Steel Ball 8~10cm |
| Detection Indicate  | Sound/Vibration                                                                               |
| Detection Frequency | 25kHz                                                                                         |
| Work Temperature    | -20°C~50°C                                                                                    |
| Size                | 41cm×85cm×4.5cm                                                                               |
| Battery             | 9V Dry Cell                                                                                   |

## Power Monitor

- Plug and Play, smart measurement
- Small machine body, easy to use
- Measure power, current, electricity, voltage, power, time, frequency, etc.

| Item #           | DL333501    |
|------------------|-------------|
| Rated Voltage    | 250V~       |
| Max. Current     | 10A         |
| Max. Power       | 2500W       |
| Work Temperature | 0°C~50°C    |
| Voltage Range    | 180V~260V~  |
| Countdown Range  | 0~9999hours |
| Pack Qty         | 1/10/60     |

## NCV Digital Multimeter

DL334304

- Main measurement functions: AC and DC voltage, AC and DC current, resistance
- Other functions: NCV, diode test, continuity test, data retention, battery test, low voltage indication, automatic shutdown, backlight, flashlight lighting

## Multi-function Manual Digital Multimeter

DL334305

- Main measurement functions: AC and DC voltage, AC and DC current, resistance, frequency, duty ratio
- Other functions: live wire detection, NCV, diode test, continuity test, maximum and minimum measurement, data retention, true effective value, battery test, low voltage indication, automatic shutdown, backlight, LED indication for sockets, flashlight lighting

|                          |                                                |

## Laser Range Finder

## Brand New Upgrade

1 horizontal bubble added  
Ensuring measuring accuracy  
Data storage updated from  
110 groups to 30 groups

- 30 groups of data storage
- 1.7 inch display
- Dual laser projection
- Millimeter-level accuracy

## Infrared Thermometer

- Adjustable emissivity: 0.1-1
- Quick measurement in less than 0.5s
- °C/°F measurement unit conversion
- High definition LCD display screen
- High/low temperature alarm

| Item #               | DL333380                       |
|----------------------|--------------------------------|
| Measuring Range      | -30 °C ~380 °C                 |
| Accuracy             | ±2 °C ( ±3°F) or ±2%           |
| Response Time        | 0.5s                           |
| Response Wave Length | 5~14um                         |
| Emissivity           | 0.95 default , 0.8 optional    |
| Working Temperature  | 0°C~40 °C ( 32 °F ~104 °F)     |
| Relative Humidity    | 10%RH~90%RH                    |
| Storage Temperature  | -20 °C ~60 °C ( -4 °F ~140 °F) |
| D:S                  | 8: 1                           |
| Resolution           | 0.1°C or 1 °F                  |
| Infrared Point       | Single                         |
| Laser Type           | CLASS II, Power < 5mW          |
| Display              | LCD                            |
| Max/Min Value        | Yes                            |
| Measuring Unit       | °C / °F                        |

## Stud Finder/Wall Scanner

- Large LCD digital display
- Measuring range display and buzzer alarm
- Up to 6 working hours
- Powered by 6F22 9V batteries
- 4-in-1 detection modes, suitable for ferrous metal, nonferrous metals, charged wire and wood

| Item # | Detection Mode               | Product Size    | Max. Detection Depth | Pack Qty |
|--------|------------------------------|-----------------|----------------------|----------|
| DL9715 | metal, charged wire and wood | 145mm×65mm×25mm | 80mm                 | 1/-/20   |

## Socket Tester

- Electric leakage detection, auto current recovery
- Comprehensive functions, one-button test
- Compact and portable
- Features: PTC self-recovery
- Functions: check if socket misses out earth wire, null wire or live wire, if it is null-live reversely connected or live-earth reversely connected, if earth wire is missed

| Item #   | Applicable Voltage | Rated Current | Applicable Standards | Pack Qty |
|----------|--------------------|---------------|----------------------|----------|
| DL333010 | AC175~250V         | 10A           | CAT II 300V          | 1/-/100  |

## Digital Socket Tester

- Electric leakage detection, auto current recovery
- LED screen displays voltage
- Comprehensive functions, one-press test
- Compact and portable
- Features: PTC self-recovery
- Functions: check if a socket misses out earth wire, null wire or live wire, if it is null-live reversely connected or live-earth reversely connected, if earth wire is missed

| Item #   | Applicable Voltage | Rated Current | Applicable Standards | Pack Qty |
|----------|--------------------|---------------|----------------------|----------|
| DL333011 | AC175~250V         | 10A           | CAT II 300V          | 1/-/100  |

## Optical Fiber Fault Locator

- Detection range: 10KM
- 3 Ports: FC, ST, SC
- Aluminum alloy coated for a dedicate look and corrosion resistance

| Item #   | Detection Distance | Port Type  | Output Wavelength | Pack Qty |
|----------|--------------------|------------|-------------------|----------|
| DL335010 | 010km              | FC, ST, SC | 650nm             | 1/-/50   |

# 07 ELECTRICAL TOOLS

## Voltage Tester

- Heat-treated and nickel-coated 40Cr steel shank, with a hardness over 50HRC for corrosion resistance and long-lasting durability
- Flat tip designed for inserting in narrow plug

| Item #  | Spec. | Measuring Range | Pack Qty |
|---------|-------|-----------------|----------|
| EDL8001 | 140mm | AC 100-500V     | 1/24/480 |
| DL8002  | 190mm | AC 100-500V     | 1/24/480 |

## Voltage Tester

- No battery required, convenient and economical
- Easy identification with LED display
- Induction breakpoint test function to easily find the breakpoint position
- Suitable for 12/36/55/110/220V AC/DC voltage

| Item #  | Spec. | Measuring Range | Pack Qty |
|---------|-------|-----------------|----------|
| EDL8003 | 130mm | AC/DC 12-250V   | 1/24/480 |

## Contactless Voltage Tester

- Quick check if the tested object is live without stripping the wire or disassembling, safe and reliable
- Compact design and pen clip facilitate carrying
- Sound and light alarm with buzzer and LED display for easy operation
- Lighting function for emergency use as torch in dark environment
- Detection of separated live and neutral wires and electromagnet radiation nearby
- Meet CAT IV 1000V AC safety class

| Item # | Spec. | Measuring Range | Pack Qty |
|--------|-------|-----------------|----------|
| DL8008 | 155mm | AC 90-1000V     | 1/12/96  |

## Smart Contactless Voltage Tester

- Contactless measurement with adjustable sensitivity, quick detection of 12/48V-1000V AC voltage
- Voltage signal strength indicators in three colors: red(high), yellow(medium) and green(low)
- Red LED display and buzzer alarm to indicate live condition
- LED lighting for easy operation in dark environment
- CAT III 1000V safety class ensures safe operation

| Item #  | Spec. | Measuring Range | Pack Qty |
|---------|-------|-----------------|----------|
| EDL8011 | 162mm | 12/48-1000V AC  | 1/12/96  |

## Plastic Cutting Nippers

- 45# high carbon steel precision forged caliper body, higher hardness
- Cutting edge quenching treatment, cutting sharp and labor saving
- PVC material handle, comfortable grip

| Item #  | Spec.       | Pack Qty |
|---------|-------------|----------|
| EDL2705 | 4.5"(115mm) | 1/12/144 |

## Plastic Cutting Nippers

Cr-V

- Forged 60CrV steel body with black finish and polish for rust resistance and long service life
- Overall heat treatment, laser-treated cutting edge with a hardness up to 60-64HRC for sharp cutting and long lasting
- Reset spring allows for flexible, fast and easy operation, improving efficiency
- Double-layer plastic coated handle for a dedicated look and comfortable grip, and long-time operation

| Item # | Spec.     | Pack Qty |
|--------|-----------|----------|
| DL0305 | 5"(125mm) | 1/10/100 |
| DL0306 | 6"(150mm) | 1/10/100 |

## Plastic Cutting Nippers

- High-quality stainless steel with overall heat treatment, and 48-52HRC hardness
- PP and TPR coated handle for antislip and comfortable grip
- Suitable for cutting iron, copper and aluminum wires with a diameter less than 0.5mm

| Item # | Spec.     | Pack Qty |
|--------|-----------|----------|
| DL2907 | 7"(175mm) | 1/12/48  |

## Plastic Cutting Nippers

- Forged high-quality Carbon steel with black finish for sharp cutting
- High-frequency quenched cutting edges with a hardness up to 50-60HRC and strong cutting capability
- Mainly used for cutting copper, aluminum and other non-ferrous metal wire and plastic parts

| Item #  | Spec.     | Pack Qty |
|---------|-----------|----------|
| EDL2706 | 6"(150mm) | 1/6/120  |

## Plastic Cutting Nippers 5"

- 55# high carbon steel pliers body, cutting sharp
- High frequency quenching treatment of the edge, hardness up to 56-60HRC
- Reset spring design, shear labor-saving
- Dipping plastic handle, excellent anti-slip

| Item #  | Spec.     | Pack Qty |
|---------|-----------|----------|
| EDL2715 | 5"(125mm) | 1/6/120  |

## Plastic Cutting Nippers 8"

- Stainless steel forging shear body, surface heat treatment, hardness of 48-52HRC, shear sharp
- PP + TPR cover rubber, non-slip design, comfortable grip

| Item #  | Spec.     | Pack Qty |
|---------|-----------|----------|
| EDL2908 | 8"(200mm) | 1/6/72   |

## Plastic Cutting Nippers 5"

- 55# high carbon steel pliers body, cutting sharp
- High frequency quenching treatment of the edge, hardness up to 56-60HRC
- Reset spring design, shear labor-saving
- PVC handle design, comfortable grip

| Item #   | Spec.     | Pack Qty |
|----------|-----------|----------|
| EDL0305A | 5"(125mm) | 1/6/120  |
| EDL0306A | 6"(150mm) | 1/6/120  |

## Ethernet Crimper

- Forged with cold-rolled steel plate, electrophoresis treated surface
- PVC handle for comfortable grip
- Suitable for wire cutting, stripping and crimping

| Item #  | Spec.  | Pack Qty |
|---------|--------|----------|
| EDL2468 | 4P6P8P | 1/6/48   |

## Ethernet Crimper

- Stripping cutting pressure three in one, fully functional
- Cold-rolled steel plate clamp body, the surface blackening treatment, strong and durable, not easy to rust
- SK5 blade, shear sharp
- Single-color plastic handle, wear-resistant and non-slip

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL381008 | 8P    | 1/6/72   |

## Ethernet Crimper

- A3 steel pliers body, surface heat treatment, strong and durable
- PVC + TPR cover rubber handle, comfortable grip
- Ratchet force-saving mechanism, better crimping effect
- With cutting, stripping UTP / STP round twisted pair and flat telephone lines and other functions, full-featured

| Item #  | Spec.  | Pack Qty |
|---------|--------|----------|
| EDL4971 | 4P6P8P | 1/6/72   |

## Ethernet Crimpers

- 3-in-1 multi functions: cutting, stripping and crimping
- Forged with cold-rolled steel plate, electrophoresis treated surface
- PVC handle for comfortable grip

| Item #  | Spec.  | Pack Qty |
|---------|--------|----------|
| DL2468C | 4P6P8P | 1/6/48   |

## Punch Down Tools

- Rotating tail structure to adjust punching force
- 40Cr alloy steel tips with special treatment for abrasion resistance
- ABS handle for comfortable and antislip grip
- 65Mn spring steel with high punching type
- blade guard included to protect the blade from damage

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL381005 | 5.5"  | 1/6/60   |

## Wire Stripper

- Forged with cold-rolled steel plate, electrophoretic-treated surface
- Dual-color PVC handle for comfortable grip
- Wire stripping, cutting and crimping
- Crimping range of insulation terminal: 10-14,16-18,20-22
- Crimp range of bare connector: 14-18,20-22,22-26,16-28

| Item #   | Spec. | Stripping Range | Pack Qty |
|----------|-------|-----------------|----------|
| DL383007 | 75°   | 0.6-2mm         | 1/6/60   |

## Wire Stripper

- Six-in-one multi-functional stripper: clamping, cutting, splitting, breaking, crimping, stripping
- safety lock design
- wire splitting hole
- PPR coated handle for comfortable grip
- 40Cr steel body, strong and durable

| Item #   | Spec. | Stripping Range | Pack Qty |
|----------|-------|-----------------|----------|
| DL383009 | 9°    | 1-4mm           | 1/6/60   |

## Wire Stripper

- Zinc alloy body, 65Mn steel blade and power-coated surface
- PVC handle with built-in spring for flexible operation and comfort grip
- Adjustable measuring rod ensures accurate stripping length

| Item #  | Spec. | Stripping Range | Pack Qty |
|---------|-------|-----------------|----------|
| DL2002C | 7"    | 1.25-8mm        | 1/6/48   |

## Wire Stripper

- Q235 steel clamp body, surface heat treatment, sturdy and durable
- Nylon injection non-slip handle + carbon steel handle, comfortable gri
- Built-in spring, light and labor-saving to use
- It can be stripped and cut, with complete functions

| Item #  | Spec. | Stripping Range | Pack Qty |
|---------|-------|-----------------|----------|
| EDL2003 | 6.5"  | 0.5-6mm         | 1/6/72   |

## Wire Stripper

- High carbon steel body with heat-treated surface for sharp cutting
- Dual-color PVC-coated handle for slip resistance and a comfortable grip
- Suitable for wire cutting and stripping

| Item #  | Spec. | Stripping Range | Pack Qty |
|---------|-------|-----------------|----------|
| EDL2607 | 7"    | 0.6-2.6mm       | 1/10/60  |

## Wire Strippers

- Auto-locking function , easy storage
- High-carbon steel with black finish treatment
- Suitable for stripping and cutting wires

| Item #  | Spec. | Stripping Range | Pack Qty |
|---------|-------|-----------------|----------|
| DL2607C | 7"    | 0.6-6mm         | 1/10/60  |

## Adjustable Temperature Digital Heat Gun

- Japan Mubachi motor, constant speed, stable airflow
- LCD Digital display
- Dual heating core with overheat protection
- Stepless temperature adjustment for different applications

| Item #   | Spec. | Temperature | Pack Qty |
|----------|-------|-------------|----------|
| DL391203 | 2000W | 50-610°C    | 1/-/10   |

## Adjustable Temperature Heat Gun

- Japan Mubachi motor, constant speed, stable airflow
- Dual heating core with overheat protection
- Two temperature adjustment levels for different applications

| Item #    | Spec. | Temperature                        | Pack Qty |
|-----------|-------|------------------------------------|----------|
| EDL391201 | 2000W | 400°C (Level 1)<br>590°C (Level 2) | 1/-/10   |

## Adjustable Temperature Heat Gun

- Japan Mubachi motor, constant speed, stable airflow
- Dual heating core with overheat protection
- Two temperature adjustment levels for different applications

| Item #    | Spec. | Temperature                              | Pack Qty |
|-----------|-------|------------------------------------------|----------|
| EDL391202 | 2000W | 45-400°C (Level 1)<br>50-600°C (Level 2) | 1/-/10   |

## Adjustable Temperature Heat Gun

- Japan Mubachi motor, constant speed, stable airflow
- Dual heating core with overheat protection
- Two temperature adjustment levels for different applications

| Item #  | Spec. | Temperature                        | Pack Qty |
|---------|-------|------------------------------------|----------|
| EDL5200 | 1600W | 400°C (Level 1)<br>590°C (Level 2) | 1/-/10   |

## Adjustable Temperature Heat Gun

- Japan Mubachi motor, constant speed, stable airflow
- Dual heating core with overheat protection
- Two temperature adjustment levels for different applications

| Item #  | Spec. | Temperature                                | Pack Qty |
|---------|-------|--------------------------------------------|----------|
| EDL5318 | 1600W | 100-400°C (Level 1)<br>100-650°C (Level 2) | 1/-/10   |

## Hot Melt Glue Gun

- PTC heating elements for stable glue melting
- Copper nozzle for long lasting
- Glue stop value to avoid glue overflow
- 3C certified power cord, safe and reliable

| Item #   | Spec. | Applicable Glue Stick | Pack Qty |
|----------|-------|-----------------------|----------|
| DL401100 | 100W  | 11mm                  | 1/12/36  |

## Hot Melt Glue Gun

- The glue outlet is made of aluminum and has a glue stop valve to prevent glue overflow
- Using PTC ceramic heating core, constant temperature heating, stable glue melting and smooth glue discharge
- Silicone anti-scalding mouth guard is used to effectively protect the safety of use

| Item #  | Spec. | Applicable Glue Stick | Pack Qty |
|---------|-------|-----------------------|----------|
| EDL5044 | 20W   | 7mm                   | 1/12/48  |
| EDL2560 | 60W   | 11mm                  | 1/6/36   |

## Li-ion Hot Melt Glue Gun

- Ceramic heating element, melt glue quickly
- Aluminum alloy glue outlet, with glue stop valve to prevent glue dripping, and glue out smoothly
- Three-color indicator light, easy to distinguish working status

| Item #  | Spec. | Applicable Glue Stick | Pack Qty |
|---------|-------|-----------------------|----------|
| EDL5045 | 3.6V  | 7mm                   | 1/6/48   |

## Hot Melt Glue Gun

- Colorful and novel appearance
- PTC heating elements for stable glue melting
- Environment-friendly shell, RoHS tested, non-toxic
- Silicone nozzle cover, safe and anti-scalding
- Glue stop value to avoid glue overflow
- 3C certified power cord, safe and reliable

| Item #   | Spec. | Applicable Glue Stick | Pack Qty |
|----------|-------|-----------------------|----------|
| DL390020 | 20W   | 7mm                   | 1/12/48  |

## Hot Melt Glue Base

- PTC ceramic heating element for stable heating
- Aluminum alloy furnace mouth with Teflon treatment, not easy to stick glue
- 3C certified power cord, safe and reliable
- High engineering plastic material with good insulation, safe and reliable
- Applications: fixation for hair extension, barge hair, silk flower, glue flower, Christmas flower, tree and all kinds of ornaments, color box, wooden products, toys, electronic package etc
- Preheating time: about 3 minutes; heating temperature: 180°C

| Item #   | Spec. | Applicable Glue Stick | Pack Qty |
|----------|-------|-----------------------|----------|
| DL390960 | 60W   | 7&11mm                | 1/-/40   |

## Hot Melt Glue Stick

- EVA environment-friendly resin, non-toxic (RoHS tested)
- Uniform melting and good adhesion
- Packed in PVC cans, easy to take and use

| Item #    | Spec.          | Pack Qty |
|-----------|----------------|----------|
| DL390055A | 7x100mmx55pcs  | 1/12/72  |
| DL390055B | 7x100mmx55pcs  | 1/12/72  |
| DL390055C | 7x140mmx55pcs  | 1/12/72  |
| DL390022A | 11x200mmx22pcs | 1/12/72  |
| DL390021A | 11x200mmx21pcs | 1/12/72  |

## Hot Melt Glue Stick

- Strong adhesion
- Pure and free of impurities

| Item #  | Spec.          | Pack Qty |
|---------|----------------|----------|
| EDL5042 | 7x200mmx10pcs  | 1/50/300 |
| EDL5043 | 11x200mmx10pcs | 1/30/120 |

## Hot Melt Glue Stick

- EVA environment-friendly resin, RoHS tested, non-toxic and harmless
- Suitable for furniture, leather, wood bonding, etc

| Item #    | Spec.          | Pack Qty |
|-----------|----------------|----------|
| DL390010A | 7x160mmx30pcs  | 1/50/300 |
| DL390050A | 7x160mmx100pcs | 1/10/60  |
| DL390050B | 11x270mmx55pcs | 1/-/20   |

## Electrical Insulating Tape

RoHS

- High temperature flame retardant, safe to use
- RoHS certification, eco-friendly material

| Item #  | Spec.                     | Pack Qty |
|---------|---------------------------|----------|
| EDL5261 | 0.13mm*18mm*9.15m (Black) | 1/10/250 |

## Electrical Tape

RoHS

- Environment-friendly PVC material, tough and anti-aging
- RoHS certificated, lead-free, safe and healthy
- flame-retardant, moisture-proof, abrasion-resistant
- Good insulation for electricity resistance, up to 600V voltage
- Temperature: 0-80°C

| Item # | Spec.                    | Pack Qty |
|--------|--------------------------|----------|
| DL5261 | 0.13mmx18mmx10m (Black)  | 1/10/250 |
| DL5262 | 0.13mmx18mmx10m (Red)    | 1/10/250 |
| DL5263 | 0.13mmx18mmx10m (Yellow) | 1/10/250 |
| DL5265 | 0.13mmx18mmx10m (Blue)   | 1/10/250 |
| DL5266 | 0.13mmx18mmx10m (Green)  | 1/10/250 |

## Electrical Tape

RoHS

- Environment-friendly PVC material, tough and anti-aging
- RoHS certificated, lead-free, safe and healthy
- flame-retardant, moisture-proof, abrasion-resistant
- Good insulation for electricity resistance, up to 600V voltage
- Temperature: 0-80°C

| Item #  | Spec.                   | Pack Qty |
|---------|-------------------------|----------|
| DL5261B | 0.13mm*18mm*20m (Black) | 1/10/200 |

## Electrical Tape

RoHS REACH SVHC

- Environment-friendly PVC material, tough and anti-aging
- RoHS and REACH SVHC certificated, lead-free, safe and healthy
- flame-retardant, moisture-proof, abrasion-resistant
- Good insulation for electricity resistance, up to 600V voltage
- Temperature: 0-80°C

| Item # | Spec.                   | Pack Qty |
|--------|-------------------------|----------|
| DL5271 | 0.13mmx18mmx10m (Black) | 1/10/250 |

## Electrical Tape

RoHS

- Environment-friendly PVC material, tough and anti-aging
- RoHS certificated, lead-free, safe and healthy
- flame-retardant, moisture-proof, abrasion-resistant
- Good insulation for electricity resistance, up to 600V voltage
- Temperature: 0-80°C

| Item #    | Spec.                                     | Pack Qty |
|-----------|-------------------------------------------|----------|

### Soldering Iron

- Nickel-chromium wire heating core, heating up quickly
- Natural mica sheet, good heat insulation effect
- PRT plastic handle, heat-resistant and flame retardant

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| EDL8830 | 30W   | 1/12/96  |
| EDL8840 | 40W   | 1/12/96  |
| EDL8860 | 60W   | 1/12/96  |

### Soldering Iron

- Built-in temperature sensor, accurate temperature control between 200-450°C
- Built-in ceramic heating core, rapid temperature rise
- Stainless steel shell, corrosion resistant
- Electroplated purple copper alloy soldering iron head, durable and corrosion-resistant

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| EDL8820 | 60W   | 1/6/48   |

### Soldering Iron

- Built-in ceramic heating element for fast and stable heating, easy to replace
- Alloy electroplated copper soldering iron tip for corrosion resistance, easy to use with a foldable soldering iron stand
- High-quality stainless steel shell for fast heat dissipation
- PBT engineering plastic handle better performance
- 3C certified power cord, safe and reliable

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL88035A | 35W   | 1/6/96   |
| DL88050A | 50W   | 1/6/96   |

### Soldering Iron

- Double-layer mica heating element for fast and stable heating, easy to replace
- Alloy electroplated copper soldering iron tip for corrosion resistance, easy to use with a foldable soldering iron stand
- High-quality stainless steel shell for fast heat dissipation
- PBT engineering plastic handle better performance
- 3C certified power cord, safe and reliable

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL88075 | 75W   | 1/10/50  |
| DL88100 | 100W  | 1/10/50  |
| DL88150 | 150W  | 1/10/50  |
| DL88200 | 200W  | 1/5/40   |
| DL88300 | 300W  | 1/5/30   |
| DL88500 | 500W  | 1/-/20   |

### Adjustable Soldering Iron

- Built-in temperature sensor, electronic temperature control panel for accurate temperature control
- Temperature can be controlled between 200-450°C, and be adjusted by rotating
- Built-in ceramic heating element for rapid and stable heating, easy to replace
- Alloy electroplated copper soldering iron tip for corrosion resistance, easy to use with a foldable soldering iron stand
- High-quality stainless steel shell for fast heat dissipation
- Transparent PC handle, heat-proof and non-flammable
- 3C certified power cord, safe and reliable

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL5071 | 60W   | 1/6/48   |

### Soldering Iron

- Nickel-chromium wire heating core, heating up quickly
- Natural mica sheet, good heat insulation effect
- PRT plastic handle, heat-resistant and flame retardant

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL8830C | 30W   | 1/12/96  |

### Soldering Iron(Bent Head)

- Built-in temperature sensor, accurate temperature control between 200-450°C
- Built-in ceramic heating core, rapid temperature rise
- Stainless steel shell, corrosion resistant
- Electroplated purple copper alloy soldering iron head, durable and corrosion-resistant

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL8820W | 60W   | 1/6/48   |

### Internally Heated Soldering Gun

- One-hand operation to improve efficiency
- Automatic and smooth wire feeding, simple and easy to operate
- Nickel-chromium heating wire for rapid heating
- 3C certified power cord: safe and reliable
- Copper soldering iron tip for rapid heating, safe and secure
- Arc-shaped tin-feeding trigger, easy to press
- Removable tin coil

| Item #   | Spec.  | Pack Qty |
|----------|--------|----------|
| DL394045 | 45-65W | 1/12/36  |

## Externally Heated Soldering Gun

- One-hand operation to improve efficiency
- Automatic and smooth wire feeding, simple and easy to operate
- Nickel-chromium heating wire for rapid heating
- 3C certified power cord: safe and reliable
- Copper soldering iron tip for rapid heating, safe and secure
- Arc-shaped tin-feeding trigger, easy to press
- Removable tin coil

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL394060 | 30W   | 1/12/36  |

## Soldering Gun

- Quantitative output tin/ adjustable temperature (100-500°C) is with 0-8 levels
- Flexible adjustment of the position of the arm
- Tin output: 1-11 level, stepless adjustment
- High-grade copper soldering iron ti with nickel-chromium heating wire for rapid heating
- Foot switch designed to free your hands and improve efficiency

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL394080 | 80W   | 1/-/12   |

## Soldering Station

- Product Power: 40W
- Nylon handle for high temperature resistance and comfortable grip
- Sensor-closed circuit, microcomputer temperature control, for stability
- Digital display with temperature range: 200-480°C
- Soldering iron ceramic heating element for quick and stable heating
- Grounding design to prevent electrostatic damage to components to be soldered
- 3C certified power cord and CQC certified transformer, safe and reliable

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL398040 | 24V   | 1/-/12   |

## Digital Soldering Station

- Product Power: 60W
- Nylon handle for high temperature resistance and comfortable grip
- Sensor-closed circuit, microcomputer temperature control, for stability
- Digital display with temperature range: 200-480°C
- Soldering iron ceramic heating element for quick and stable heating
- Grounding design to prevent electrostatic damage to components to be soldered
- 3C certified power cord and CQC certified transformer, safe and reliable

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL398060 | 24V   | 1/-/12   |

## Desoldering Station

- Product Power: 700W
- Nickel-chromium wire heating element for uniform heating, and over-temperature protection
- Digital display temperature range: 100-500°C
- Adjustable air volume: 120L/min (max)
- Automatic cooling system: induction magnetron
- 3C certified power cord and CQC certified transformer, safe and reliable

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL398700 | 700W  | 1/-/12   |

## Multi-function Soldering Station

- TotalPower: 740W (soldering iron power: 40W, Hot air gun power: 700W)
- Nylon handle for high temperature resistance and comfortable grip
- Sensor-closed circuit, microcomputer temperature control, for stability
- Hot air gun digital display with temperature range: 100-480°C
- Adjustable air volume: 120L/min (max)
- Automatic cooling system for induction magnetron
- Soldering iron ceramic heating element with stainless steel shell: rapid and stable heating, easy to replace
- Grounding design to prevent electrostatic damage to components to be soldered
- 3C certified power cord and CQC certified transformer, safe and reliable

| Item #   | Spec.                                  | Pack Qty |
|----------|----------------------------------------|----------|
| DL398740 | 700W(Heat Gun)<br>40W (Soldering Iron) | 1/-/8    |

## Solder Wire

- 30% tin connect with flux
- Less solder residue when welding, clean and full solder joints, bright and not corrosive
- Small smoke and irritating smell when welding, ensure the safety of the operator and improve work efficiency

| Item #       | Spec.      | Pack Qty |
|--------------|------------|----------|
| DL-XS-30081  | 0.8mm/100g | 1/10/60  |
| DL-XS-300825 | 0.8mm/250g | 1/10/60  |

## Solder Wire

- Wire diameter 1.0mm
- Tin content: 30%, good solderability, good wettability
- Incuded flux, cleaning-free
- Low melting point, fast welding

| Item #   | Spec.      | Pack Qty |
|----------|------------|----------|
| DL395100 | 1.0mm/100g | 1/20/120 |
| DL395250 | 1.0mm/250g | 1/10/60  |

## Solder Wire

- Wire diameter 0.8mm
- High purity, 99.3% tin content
- Lead-free soldering, environment-friendly and non-toxic
- Incuded flux, cleaning-free
- Low melting point, fast welding

| Item #    | Spec.      | Pack Qty |
|-----------|------------|----------|
| DL395075G | 0.8mm/75g  | 1/20/120 |
| DL395250G | 0.8mm/250g | 1/10/60  |

### Desoldering Pump

- Aluminum alloy with good sealing performance
- High-quality PTFE nozzle with spring for quick absorption of melted tin, high temperature resistance, and long service life

| Item # | Spec.      | Pack Qty |
|--------|------------|----------|
| DL8720 | 20mmx195mm | 1/20/240 |

### Pipe Hot Melt Machine

- UT support for easy pull out
- Aluminum heating plates
- Anti-blocking mold head
- 3C certificated power cord and plug, safe and reliable

| Item #   | Spec.      | Power | Pack Qty |
|----------|------------|-------|----------|
| DL397032 | 20,25,32mm | 800W  | 1/-/6    |
| DL82032C | 20,25mm    | 800W  | 1/-/6    |

### Pipe Hot Melt Machine

- UT support for easy pull out
- Aluminum heating plates
- Anti-blocking mold head
- 3C certificated power cord and plug, safe and reliable

| Item #   | Spec.      | Power | Pack Qty |
|----------|------------|-------|----------|
| DL397132 | 20,25,32mm | 1200W | 1/-/6    |

### Electronic Pipe Hot Melt Machine

- UT support for easy pull out
- Aluminum heating plates
- Electronic and accurate control of temperature
- Anti-blocking mold head
- 3C certificated power cord and plug, safe and reliable

| Item #   | Spec.      | Power | Pack Qty |
|----------|------------|-------|----------|
| DL397232 | 20,25,32mm | 800W  | 1/-/6    |

### Digital Display Pipe Hot Melt Machine

- UT support for easy pull out
- Aluminum heating plates
- Adjustable temperature between 100-320°C
- Faulty display function
- Anti-blocking mold head
- 3C certificated power cord and plug, safe and reliable

| Item #   | Spec.      | Power | Pack Qty |
|----------|------------|-------|----------|
| DL39732S | 20,25,32mm | 1200W | 1/-/6    |

### Pipe Hot Melt Machine

- UT support for easy pull out
- Aluminum heating plates
- Anti-blocking mold head
- 3C certificated power cord and plug, safe and reliable

| Item #   | Spec.               | Power | Pack Qty |
|----------|---------------------|-------|----------|
| DL397063 | 20,25,32,40,50,63mm | 800W  | 1/-/6    |

### Digital Display Pipe Hot Melt Machine

- UT support for easy pull out
- Aluminum heating plates
- Anti-blocking mold head
- 3C certificated power cord and plug, safe and reliable

| Item #    | Spec.               | Power | Pack Qty |
|-----------|---------------------|-------|----------|
| DL397063S | 20,25,32,40,50,63mm | 800W  | 1/-/6    |

### Power Plug

- Detachable design, easy to install and use
- Elastic anti-fall PVC shell, impact resistant and wear resistant
- High temperature resistance, flame retardant 750°C
- 3C certificated, National safety certification passed

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| T18296 | 2500W | 1/20/960 |

### Power Plug

- Detachable design, easy to install and use
- Elastic anti-fall PVC shell, impact resistant and wear resistant
- High temperature resistance, flame retardant 750°C
- 3C certificated, National safety certification passed

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| T18297 | 2500W | 1/10/480 |

# Extension Sockets

T18281/T18283

## 3C Certification

Passed the National Mandatory Safety Certification, safe and reliable

## The new national standard for sockets

Safety protection door design small panel shape

1mm<sup>2</sup>

Power cord conductor

5000 times

normal plugging and unplugging

750°C

High temperature resistant

| Item # | Spec.               | Pack Qty |
|--------|---------------------|----------|
| T18283 | 3+3 Ports+3 USB(2m) | 1/12/48  |

| Item # | Spec.             | Pack Qty |
|--------|-------------------|----------|
| T18281 | 2 Ports+2 USB(2m) | 1/12/48  |

## Extension Sockets

- 3C certification, national safety certification
- Built-in protection door to effectively reducing the risk of electric shock for consumers
- High temperature resistant up to 750°C, socket shell and inner core adopt high temperature resistant material
- 5000 times of normal plugging and unplugging
- Power cord conductor: 1mm<sup>2</sup>
- Maximum power: 2500W

| Item # | Spec.               | Pack Qty |
|--------|---------------------|----------|
| T18217 | 3 Ports+2 USB(1.8m) | 1/24/48  |

## Extension Sockets

- 3C certification, national safety certification
- Built-in protection door to effectively reducing the risk of electric shock for consumers
- High temperature resistant up to 750°C, socket shell and inner core adopt high temperature resistant material
- 5000 times of normal plugging and unplugging
- Power cord conductor: 1mm<sup>2</sup>
- Maximum power: 2500W

| Item # | Spec.       | Pack Qty |
|--------|-------------|----------|
| T18265 | 2 Ports(2m) | 1/12/48  |

## Extension Sockets

- 3C certification, national safety certification
- Built-in protection door to effectively reducing the risk of electric shock for consumers
- High temperature resistant up to 750°C, socket shell and inner core adopt high temperature resistant material
- 5000 times of normal plugging and unplugging
- Power cord conductor: 1mm<sup>2</sup>
- Maximum power: 2500W

| Item # | Spec.         | Pack Qty |
|--------|---------------|----------|
| T18273 | 2+1 Ports(2m) | 1/15/60  |

## Extension Sockets

- 3C certification, national safety certification
- Built-in protection door to effectively reducing the risk of electric shock for consumers
- High temperature resistant up to 750°C, socket shell and inner core adopt high temperature resistant material
- 5000 times of normal plugging and unplugging
- Power cord conductor: 1mm<sup>2</sup>
- Maximum power: 2500W

## Extension Sockets

- 3C certification, national safety certification
- Built-in protection door to effectively reducing the risk of electric shock for consumers
- High temperature resistant up to 750°C, socket shell and inner core adopt high temperature resistant material
- 5000 times of normal plugging and unplugging
- Power cord conductor: 1mm<sup>2</sup>
- Maximum power: 2500W

| Item #    | Spec.       | Pack Qty |
|-----------|-------------|----------|
| T18248-03 | 8 Ports(3m) | 1/12/36  |
| T18248-05 | 8 Ports(5m) | 1/12/24  |

## Power Sockets without Power Cord

- 3C certification, national safety certification
- Built-in protection door to effectively reducing the risk of electric shock for consumers
- High temperature resistant up to 750°C, socket shell and inner core adopt high temperature resistant material
- 5000 times of normal plugging and unplugging
- The product shell is made of elastic material, shock-proof, anti-fall and pressure-resistant
- Maximum power: 2500W

| Item # | Spec.     | Pack Qty |
|--------|-----------|----------|
| T18298 | 1+1 Ports | 1/15/60  |

## Pruning Shears(Simple Series)

- Alloyed cutter with heat treatment
- Spring design for easy springback
- PP non-slip handle for comfortable grip

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580101 | 8"    | 10mm             | 1/10/60  |

## Pruning Shear

- Metal handle, strong and durable
- Blade sharpness, not deformed

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580200 | 8"    | 14mm             | 1/10/60  |

## Pruning Shear

- Forged with 55# high carbon steel for long lasting
- Sandblasting craftsmanship for better quality
- Max.Cutting Diameter: 15mm

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580203 | 8.5"  | 15mm             | 1/6/60   |

## Pruning Shear

- Teflon treated blade for smooth cutting, better appearance and rust proof
- Dipped plastic handle for comfortable grip
- Max.Cutting Diameter: 15mm

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580204 | 8"    | 15mm             | 1/6/60   |

## Pruning Shear

- Teflon treated blade for smooth cutting, better appearance and rust proof
- Dipped plastic handle for comfortable grip
- Max.Cutting Diameter: 15mm

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580205 | 8"    | 15mm             | 1/6/60   |

## Pruning Shear

- Teflon treated blade for smooth cutting, better appearance and rust proof
- Max.Cutting Diameter: 15mm

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580206 | 8"    | 15mm             | 1/6/60   |

## Pruning Shear

- The SK5 upper blade with Teflon-treated surface for sharp cutting and abrasion resistance
- The lower blade with electroplated surface for rust resistance
- Overall heat treatment with over 50HRC hardness
- TPR-coated nylon fiber handles for a comfortable grip, good abrasion and slip resistance
- Double cutting diameter available for hands with different sizes

| Item #   | Spec. | Cutting Diameter | Pack Qty |
|----------|-------|------------------|----------|
| EDL2789A | 8"    | 18mm             | 1/6/60   |

## Curved Jaw Pruning Shear

- Precision forged #55 carbon steel blade, with heat-treated surface for sharp cutting
- Two color handle for a dedicate look and comfortable grip
- Used for pruning fruit trees, bonsai plants and garden plants

| Item #  | Spec. | Cutting Diameter | Pack Qty |
|---------|-------|------------------|----------|
| EDL2778 | 8"    | 10mm             | 1/6/60   |

## Pruning shear

- PP handle, light and durable
- Stainless steel scissor head

| Item #    | Spec. | Material | Pack Qty |
|-----------|-------|----------|----------|
| DL580100A | 7"    | PE       | 1/10/60  |

### Garden Shears

- Double pulley structure, for labor-saving operation
- Easy to operate with dual purposes as both a saw and scissors
- Retractable holding bar (180cm-286cm)

| Item #   | Spec.     | Cutting Diameter | Pack Qty |
|----------|-----------|------------------|----------|
| DL580511 | 180-286cm | 29cm             | 1/-/6    |

### Garden Shears

- Four pulley labor-saving design, easy shear
- Dual use of cutting saw, free switching
- SK5 saw blade, strong and durable

| Item #    | Spec.     | Cutting Diameter | Pack Qty |
|-----------|-----------|------------------|----------|
| DL580511A | 175-280cm | 30cm             | 1/-/6    |

### Garden Shears

- Four pulley labor-saving design, easy shear
- Dual use of cutting saw, free switching
- SK5 saw blade, strong and durable

| Item #   | Spec.     | Cutting Diameter | Pack Qty |
|----------|-----------|------------------|----------|
| DL580512 | 235-410cm | 30cm             | 1/-/6    |

### Garden Shears

- Four pulley labor-saving design, easy shear
- Dual use of cutting saw, free switching
- SK5 saw blade, strong and durable

| Item #   | Spec.     | Cutting Diameter | Pack Qty |
|----------|-----------|------------------|----------|
| DL580513 | 200-500cm | 30cm             | 1/-/6    |

### Hedge shear

- Alloy Scissor head, Overall heat treatment
- PP Anti-skid Hhandle, Grip Comfortable
- Shear diameter: 6mm

| Item # | Spec. | Cutting Diameter | Pack Qty |
|--------|-------|------------------|----------|
| DL2804 | 20.5" | 6mm              | 1/12/24  |

### Hedge shear

- Soft rubber handle, comfortable grip
- The edge is made of high quality high carbon steel, wave design, cutting sharp

| Item # | Spec. | Cutting Diameter | Pack Qty |
|--------|-------|------------------|----------|
| DL2806 | 20.5" | 6mm              | 1/12/24  |

### Hedge shear

- Integrally heat-treated alloy blade
- Teflon non-stick coating for smooth shear
- PP+TRP coated handle

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580421 | 26.5" | 55C              | 1/6/12   |

### Lopper

- Forged and integrally heat-treated high-quality-carbon steel makes the cutting edges sharp, robust and durable
- Q235+PVC Handle, sturdy and durable
- Suitable for cutting branches within 30mm in diameter

| Item #  | Spec. | Cutting Diameter | Pack Qty |
|---------|-------|------------------|----------|
| EDL2779 | 26.5" | 30mm             | 1/10/20  |

### Lopper

- Four-point lever structure, for labor saving in shearing
- Teflon non-stick coating for sharp and smooth shear
- Large-size blade + non-slip base, for efficient shearing

| Item #    | Spec. | Cutting Diameter | Pack Qty |
|-----------|-------|------------------|----------|
| EDL580321 | 30.5" | 30mm             | 1/10/20  |

# GARDENING TOOLS

## 2 Piece Gardening Sets

- Gardening tools set for different using scenarios
- Large shear for cutting diameter: 30mm
- Small shear for cutting diameter: 15mm

| Item #    | Spec.       | Material | Pack Qty |
|-----------|-------------|----------|----------|
| EDL580002 | 200mm/745mm | 55C      | 1/-/6    |

## 3 Piece Gardening Sets

- Gardening tools set for different using scenarios
- Large shear for cutting thick branches with 30mm diameter
- Small shear for cutting twigs with 15mm diameter
- Hedge shear for pruning branches and leaf or 6mm twigs

| Item #    | Spec.             | Material | Pack Qty |
|-----------|-------------------|----------|----------|
| EDL580003 | 200mm/520mm/590mm | 55C      | 1/-/6    |

## Wallboard saws

- PP handle
- Serrated is 210mm long
- Applicable working conditions: wall board, gypsum board excavation

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL580701 | 210mm | 1/24/96  |

## Dovetail Saw

- 65Mn steel blade with quenched saw teeth, for good toughness and high abrasion resistance; two-sided grinding teeth and double-row blades for sharp cutting
- Two-color bi-material handle for a comfortable grip
- Come with jacket that can be buckled around the waist, easy to carry

| Item # | Spec. | Saw Teeth | Pack Qty |
|--------|-------|-----------|----------|
| DL6005 | 175mm | 7TPI      | 1/6/60   |

## Gardening Saw

- SK5 material for long lasting
- Three-sides grinding teeth for sharp sawing
- Rubber-coated handle for comfortable grip

| Item #    | Spec. | Saw Teeth | Pack Qty |
|-----------|-------|-----------|----------|
| EDL580933 | 330mm | 7TPI      | 1/10/60  |

## Pruning Saw

- Three-sides grinding teeth for sharp sawing
- Antislip coated handle for a comfortable grip

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL580924 | 240mm | 1/2/48   |
| DL580927 | 270mm | 1/2/48   |

## Folding Saw

- SK5 material for long lasting
- Three-sides grinding teeth for sharp sawing
- Safety lock for safe and convenient use
- Folding design, easy to carry and operate
- Rubber-coated handle for comfortable grip

| Item #    | Spec. | Saw Teeth | Pack Qty |
|-----------|-------|-----------|----------|
| EDL580618 | 180mm | 7TPI      | 1/10/60  |

## Hand Saw

- 65Mn steel blade with quenched saw teeth, for good toughness and high abrasion resistance; three-sided grinding teeth for sharp cutting
- Two-color bi-material handle for comfortable grip
- Magnetic jack package for better protection of teeth, safe and convenient use

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| EDL6840A | 400mm | 1/12/48  |
| EDL6845A | 450mm | 1/12/48  |

## Hand Saw

- 65Mn steel material
- Hanging hole for easy storage
- TPR coated handle for comfortable grip
- Angled handle to assist in drawing lines

| Item #  | Spec. | Saw Teeth | Pack Qty |
|---------|-------|-----------|----------|
| EDL6850 | 500mm | 7TPI      | 1/12/48  |
| EDL6840 | 400mm | 7TPI      | 1/12/48  |

# Gardening Sets

Forged with cold-rolled plate material, durable, labor-saving

## Gardening Shovel

- 1.5mm thick shovel enabling digging without bending
- Edged hoe for ease of digging

| Item #   | Spec.               | Material                | Pack Qty |
|----------|---------------------|-------------------------|----------|
| DL580811 | 31cm(wide shovel)   | Cold rolled sheet       | 1/12/48  |
| DL580812 | 31cm(narrow shovel) | Cold rolled steel sheet | 1/12/48  |

## 5-Tooth Gardening Rake

- Wide and thick rake teeth
- Thermosetting paint layer for a beautiful look and rust resistance

| Item #   | Spec. | Material          | Pack Qty |
|----------|-------|-------------------|----------|
| DL580813 | 31mm  | Cold rolled sheet | 1/12/48  |

## 2-In-1 Gardening Hoe

- Edged hoe for ease of digging
- Used as a shovel and a hoe for multiple scenarios

| Item #   | Spec. | Material          | Pack Qty |
|----------|-------|-------------------|----------|
| DL580814 | 31mm  | Cold rolled sheet | 1/12/48  |

## 3 Piece Gardening Sets

- Wide shovel for shoveling soil and moving pots
- Five-tooth rake for loosening the soil, flating the soil and removing the root
- Dual-use hoe for digging pits and weeding

| Item #   | Spec. | Material          | Pack Qty |
|----------|-------|-------------------|----------|
| DL580803 | 31mm  | Cold rolled sheet | 1/8/16   |

## 4 Piece Gardening Sets

- Wide shovel for shoveling soil and moving pots
- Narrow shovel for planting seedlings
- Five-tooth rake for loosening the soil, flating the soil and removing the root
- Dual-use hoe for digging pits and weeding

| Item #   | Spec. | Material          | Pack Qty |
|----------|-------|-------------------|----------|
| DL580804 | 31mm  | Cold rolled sheet | 1/8/16   |

## 3 Piece Gardening Sets

- Shovel,Rake and Scissor Multi-purpose, Suitable for many scenarios
- PP Handle +TPR Coated, Grip Comfortable
- Wide shovel for shoveling soil and shifting pots
- Rake is used to loosen the soil and remove the root of the pot
- Pruning Shear for Pruning roots, stems, small branches, etc

| Item #    | Spec. | Material        | Pack Qty |
|-----------|-------|-----------------|----------|
| DL580803B | 3pcs  | Stainless steel | 1/10/30  |

## SPRAYER

## Gas Chain Saw

DL585020

### Specification:

|                       |         |
|-----------------------|---------|
| Power:                | 2000W   |
| Chain Speed:          | 2800rpm |
| Bar length:           | 10"     |
| Max Cutting Diameter: | 200mm   |
| Fuel Tank:            | 550ml   |
| Chain Lubrication:    | 260ml   |

## Gas Chain Saw DL585022

### Specification:

|                        |         |
|------------------------|---------|
| Power:                 | 2400W   |
| Chain Speed:           | 2800rpm |
| Bar length:            | 10"     |
| Max. Cutting Diameter: | 200mm   |
| Fuel Tank:             | 550ml   |
| Chain Lubrication:     | 260ml   |

## Lithium-Ion Chain Saw DL585108

### Specification:

|                   |         |
|-------------------|---------|
| Voltage:          | 20V     |
| Cutting diameter: | 18cm    |
| Battery Capacity: | 3000mAh |
| Pack Qty:         | 1/-/1   |

**Accessory List:**  
Lithium Battery Pack x2  
Charger x1

## Lithium-Ion Chain Saw DL585104

### Specification:

|                   |         |
|-------------------|---------|
| Voltage:          | 20V     |
| Cutting diameter: | 8cm     |
| Battery Capacity: | 1500mAh |
| Pack Qty:         | 1/-/10  |

### Accessory List:

Lithium Battery Pack x1  
Charger x1

## Lithium-Ion Chain Saw DL585104S

### Specification:

|                   |         |
|-------------------|---------|
| Voltage:          | 20V     |
| Cutting diameter: | 8cm     |
| Battery Capacity: | 1500mAh |
| Pack Qty:         | 1/-/10  |

### Accessory List:

Lithium Battery Pack x2  
Charger x1

## Lithium-Ion Garden Shears DL582020

### Specification:

|                   |         |
|-------------------|---------|
| Voltage:          | 20V     |
| Cutting diameter: | 25mm    |
| Battery Capacity: | 2000mAh |
| Pack Qty:         | 1/-/6   |

### Accessory List:

Lithium Battery Pack x1  
Charger x1

## Grass Trimmer DL585213

### Specification:

|                   |                     |
|-------------------|---------------------|
| Power:            | 1200W               |
| Gas Displacement: | 42.7CC              |
| Type:             | Side hanging        |
| Blade Material:   | High Hardness Alloy |
| Two-stroke        |                     |

### Accessory List:

Two Cutter Edge Blade x1  
Paying Straw Head x1  
5m Extension Cord x1

## Grass Trimmer DL585408

### Specification:

|                   |                     |
|-------------------|---------------------|
| Power:            | 700W                |
| Gas Displacement: | 31CC                |
| Type:             | Side hanging        |
| Blade Material:   | High Hardness Alloy |
| Four-Stroke       |                     |

### Accessory List:

Two Cutter Edge Blade x1  
Paying Straw Head x1  
5m Extension Cord x1

## Grass Trimmer DL585408B

### Specification:

|                   |           |
|-------------------|-----------|
| Power:            | 700W      |
| Gas Displacement: | 31CC      |
| Type:             | Piggyback |
| Four-Stroke       |           |

### Accessory List:

Two Cutter Edge Blade x1  
Paying Straw Head x1  
5m Extension Cord x1  
Shoulder Strap x1

## Utility Knife

### Utility Knife

**SK4**

- High-quality ABS handle, abrasion resistance and drop resistance and comfortable grip
- High quality SK4 blade, 13-section
- Auto-lock push button for convenient use

| Item #  | Spec. | Blade Type | Pack Qty |
|---------|-------|------------|----------|
| EDL009B | 9mm   | 60° Silver | 1/50/300 |

### Utility Knife

**SK5**

- Electrophoretic blade body, beautiful and corrosion-resistant
- Push button self-locking, easy to use
- Tail cover foldable blade, easy to replace

| Item #  | Spec. | Blade Type | Pack Qty |
|---------|-------|------------|----------|
| EDL007B | 9mm   | 30° Black  | 1/50/600 |

### Utility Knife (3-blade)

**SK5**

- Multifunctional retractable utility knife
- TPR coated handle
- SK5 blade black finish treatment
- Three blades included

| Item # | Spec. | Blade Type | Pack Qty |
|--------|-------|------------|----------|
| DL218  | 18mm  | 60° Silver | 1/10/120 |

### Utility Knife

**SK5**

- High-quality ABS handle, abrasion resistance and drop resistance and comfortable grip
- High-quality SK5 blade, sharp and durable
- Auto-lock push button for convenient use

| Item # | Spec. | Blade Type | Pack Qty |
|--------|-------|------------|----------|
| EDL003 | 18mm  | 60° Silver | 1/25/300 |

### Utility Knife

**SK4**

- High-quality ABS body coated with TPE for abrasion and crack resistance
- High-quality SK4 blade, 8-section
- Auto-lock push button for convenient use

| Item # | Spec. | Blade Type | Pack Qty |
|--------|-------|------------|----------|
| EDL025 | 18mm  | 60° Silver | 1/10/80  |

### Utility Knife

**SK4**

- SK4 blade for sharp cutting, 8-section
- High-quality ABS & TPE-coated shell for comfortable grip
- Auto-lock button, double-tooth structure
- Designed in Germany, beautiful and elegant

| Item #  | Spec. | Blade Type | Pack Qty |
|---------|-------|------------|----------|
| EDL018Z | 18mm  | 60° Silver | 1/10/120 |

### Utility Knife

**SK5**

- Contain three blades inside the shell
- Automatic replacement of blades
- ABS and TPR coated shell for comfortable grip

| Item # | Spec. | Blade Type | Pack Qty |
|--------|-------|------------|----------|
| EDL009 | 18mm  | 60° Silver | 1/12/96  |

### Utility Knife

**SK5**

- Electrophoretic blade body, beautiful and corrosion-resistant
- Push button self-locking, easy to use
- Tail cover foldable blade, easy to replace

| Item #  | Spec. | Blade Type | Pack Qty |
|---------|-------|------------|----------|
| EDL018B | 18mm  | 60° Silver | 1/50/300 |

### Utility Knife

**SK2**

- Aluminum alloy+TPR coated shell, comfortable grip and durable
- Folding blade design on the tail, push auto-locking, easy to use

| Item #  | Spec. | Blade Type | Pack Qty |
|---------|-------|------------|----------|
| EDL4255 | 18mm  | 60° Silver | 1/12/144 |

# Blade Set

## Utility Knife (6-blade)

**SK2**

- Zinc alloy blade body, strong and durable, comfortable grip
- Built-in 5 spare blades, easy to replace

| Item #  | Spec.        | Blade Type | Pack Qty |
|---------|--------------|------------|----------|
| EDL006Z | 19mm(T-type) | 60° Silver | 1/12/96  |

## Utility Knife (3-blade)

**SK2**

- Aluminum alloy shell, surface paint treatment, comfortable grip and durable
- Adjustable screws for 3 positions of blades
- SK2 blade for sharp cutting
- Built-in two spare SK2 blades

| Item #  | Spec.        | Blade Type | Pack Qty |
|---------|--------------|------------|----------|
| EDL4260 | 19mm(T-type) | 60° Silver | 1/12/144 |

## 10PCS Blade Set

**SK4**

- High-quality SK4 carbon tool steel blade, with heat-treated surface
- 13-section 2-stage blades design for multiple uses and better cutting performance
- Built-in 1 black and 9 silver blades for various workplaces

| Item #   | Spec. | Blade Type           | Pack Qty |
|----------|-------|----------------------|----------|
| DL-DP091 | 9mm   | 60° Silver/60° Black | 1/10/300 |

## 10PCS Blade Set

**Alloy Steel**

- Integrally heat-treated high-quality alloy steel blade
- 13-section 2-stage blades design for sharp cutting
- V-shaped engraved line, for flat and smooth cutting surface

| Item #    | Spec. | Blade Type | Pack Qty |
|-----------|-------|------------|----------|
| EDL-DP092 | 9mm   | 60° Silver | 1/10/240 |
| DL-DP093  | 9mm   | 30° Silver | 1/10/240 |
| DL-DP094  | 9mm   | 30° Black  | 1/10/240 |

## 10PCS Blade Set

**75#**

- High-quality 75# carbon steel blade, with heat-treated surface
- 15-section 2-stage blade design, it can be broken off in sections for multiple uses and offer better cutting performance
- Built-in 10pcs silver blades and professional cutting-edge grinding design, suitable for various workplaces

| Item # | Spec. | Blade Type | Pack Qty |
|--------|-------|------------|----------|
| EDL-DP | 18mm  | 60° Silver | 1/24/288 |

## 10PCS Blade Set

**SK4**

- High-quality SK4 carbon tool steel blade, with heat-treated surface
- 15-section 2-stage blade design for multiple uses and sharp cutting
- Built-in 10pcs blades (1\*black and 9\*silver) and professional cutting-edge grinding design, suitable for various workplaces

| Item #   | Spec. | Blade Type           | Pack Qty |
|----------|-------|----------------------|----------|
| DL-DP181 | 18mm  | 60° Silver/60° Black | 1/10/240 |

## 10PCS Blade Set

**SK4**

- High-quality SK4 carbon steel blade, with heat-treated surface
- 8-section 2-stage blade design for multiple uses and sharp cutting
- Built-in 10pcs blades (1\*black and 9\*silver) and professional cutting-edge grinding design, suitable for various workplaces

| Item #   | Spec. | Blade Type           | Pack Qty |
|----------|-------|----------------------|----------|
| DL-DP182 | 18mm  | 60° Silver/60° Black | 1/10/240 |

## 10PCS Blade Set

**SK4**

- High-quality SK4 carbon tool steel blade, with heat-treated surface
- 8-section 2-stage blade design for multiple uses and sharp cutting
- Built-in 10pcs black blades and professional cutting-edge grinding design, suitable for various workplaces

| Item #   | Spec. | Blade Type | Pack Qty |
|----------|-------|------------|----------|
| DL-DP183 | 18mm  | 60° Black  | 1/10/120 |

## 10PCS Blade Set

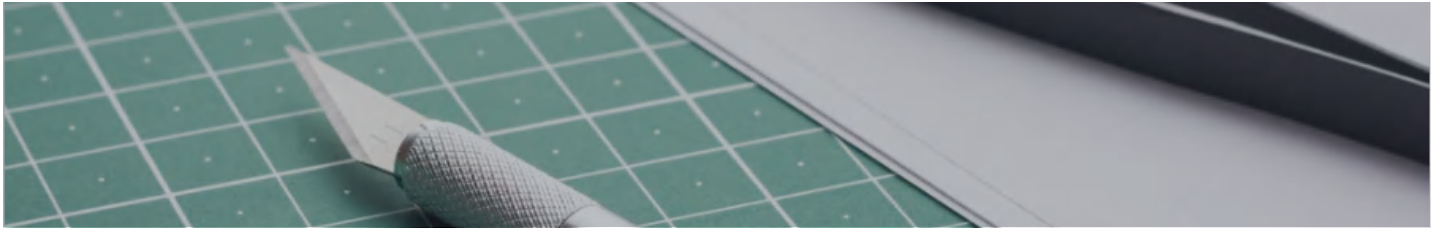

**75#**

- High-quality alloy steel blade, with heat-treated surface
- 7-section 2-stage blade design, it can be broken off in sections for multiple uses and offer better cutting performance
- Built-in 10pcs silver blades and professional cutting-edge grinding design, suitable for various workplaces

| Item #   | Spec. | Blade Type | Pack Qty |
|----------|-------|------------|----------|
| EDL-DP05 | 25mm  | 60° Silver | 1/10/120 |

# CUTTING TOOLS

## 10PCS Blade Set

SK4

- High-quality SK4 carbon steel blade, with heat-treated surface
- 7-section 2-stage blade design, it can be broken off in sections for multiple uses and offer better cutting performance
- Built-in 10pcs blades (1\*black and 9\*silver) and professional cutting-edge grinding design, suitable for various workplaces

| Item #   | Spec. | Blade Type            | Pack Qty |
|----------|-------|-----------------------|----------|
| DL-DP25I | 25mm  | 60° Silver/ 60° Black | 1/10/120 |

## 10PCS Blade Set

SK4

- High-quality SK4 carbon steel blade, with heat-treated surface
- 2-section blade design for better cutting performance
- Built-in 10pcs silver blades and professional cutting-edge grinding design, suitable for various workplaces

| Item #  | Spec.        | Blade Type | Pack Qty |
|---------|--------------|------------|----------|
| DL-DP30 | 19mm(T-type) | Silver     | 1/20/300 |

## Diamond Glass Knife

- The chisel bit is made of YG8 special tungsten steel, with heat-treated surface, for sharp cutting
- 36# rotated and disassembled carbon steel handle for easy replacement
- Kerosene can be added at the product tail for better cutting performance

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| EDL270I | 180mm | 1/6/120  |
| DL2702  | 180mm | 1/6/120  |

## 16pcs Craft Knife Set

- Forged and high-frequency quenched SK5 steel body, with heat-treated surface for sharp cutting
- TPR coated handle for good appearance and comfortable grip

| Item # | Spec.                                                        | Pack Qty |
|--------|--------------------------------------------------------------|----------|
| DL-DP1 | 2xHandle 1xTweezer 12xBlades 1xSlotted precision screwdriver | 1/6/48   |

## 12pcs Craft Knife Set

- Forged and high-frequency quenched SK5 steel body, with heat-treated surface for sharp cutting
- Aluminum handle with anti-slip texture, better carving performance

| Item #    | Spec.                                                | Pack Qty  |
|-----------|------------------------------------------------------|-----------|
| DL35910IA | (Silver) 1xHandle 10xBlades 1xBlade protection cover | 1/200/800 |
| DL35910IB | (Black) 1xHandle 10xBlades 1xBlade protection cover  | 1/200/800 |

## PVC Pipe Cutter

- 65Mn Stainless steel blade, with Teflon-treated surface, for sharp cutting
- Aluminum alloy body, lightweight and durable

| Item #    | Max. Cutting Capability(mm) | Pack Qty |
|-----------|-----------------------------|----------|
| EDL350042 | 42                          | 1/6/60   |

## PVC Pipe Cutter

3Cr13

- 3Cr13 stainless steel blade, with heat-treated surface, for strong corrosion resistance and cutting performance
- Aluminum alloy-coated handle for a comfortable grip

| Item #  | Max. Cutting Capability(mm) | Pack Qty |
|---------|-----------------------------|----------|
| EDL2507 | 42                          | 1/6/48   |

## PVC Pipe Cutter

3Cr13

- 3Cr13 stainless steel blade, sharp edge
- The handle is made of aluminum alloy, strong and reliable

| Item #  | Max. Cutting Capability(mm) | Pack Qty |
|---------|-----------------------------|----------|
| EDL2509 | 63                          | 1/5/20   |

## PVC Pipe Cutter

- The knife shell is made of G38W rigid plastic, which is light in weight and convenient to use
- The blade is made of 65Mn, cutting sharp
- The blade adopts Teflon processing technology, the cutting surface is flat, and the cutting is easy

| Item #    | Max. Cutting Capability(mm) | Pack Qty |
|-----------|-----------------------------|----------|
| EDL350033 | 33                          | 1/10/100 |

# Aviation Snip

## Metal Pipe Cutter

SiCr

- SiCr alloy steel blade, with heat-treated surface, for high strength, strong corrosion resistance and extended service life
- Suitable for cutting copper and aluminum metal pipes and thin-walled conduits

| Item #  | Max. Cutting Diameter(mm) | Pack Qty |
|---------|---------------------------|----------|
| EDL2504 | 3-32                      | 1/10/50  |

## Straight Aviation Snip

- 60Cr-v cutting edge with high-frequency quenched and polished surface, serrated sides for easy clamping and cutting
- Dual-color PVC handle for a good appearance and a comfortable grip

| Item #   | Spec. | Max. Cutting Capability(mm) |                          | Pack Qty |
|----------|-------|-----------------------------|--------------------------|----------|
| EDL20030 | 10"   | Cold rolled steel<br>1.2mm  | Stainless steel<br>0.7mm | 1/10/60  |

## Long Straight Aviation Snip

- 60Cr-v cutting edge with high-frequency quenched and polished surface, serrated sides for easy clamping and cutting
- Dual-color PVC handle for a good appearance and a comfortable grip
- Lengthened head, suitable for working in small spaces

| Item #  | Spec. | Max. Cutting Capability(mm) |                          | Pack Qty |
|---------|-------|-----------------------------|--------------------------|----------|
| DL20033 | 11"   | Cold rolled steel<br>1.0mm  | Stainless steel<br>0.6mm | 1/6/36   |

## Left Offset Aviation Snip

- 60Cr-v cutting edge with high-frequency quenched and polished surface, serrated sides for easy clamping and cutting
- Dual-color PVC handle for a good appearance and a comfortable grip

| Item #  | Spec. | Max. Cutting Capability(mm) |                          | Pack Qty |
|---------|-------|-----------------------------|--------------------------|----------|
| DL20031 | 10"   | Cold rolled steel<br>1.2mm  | Stainless steel<br>0.7mm | 1/10/60  |

## Right Offset Aviation Snip

- 60Cr-v cutting edge with high-frequency quenched and polished surface, serrated sides for easy clamping and cutting
- Dual-color PVC handle for a good appearance and a comfortable grip

| Item #  | Spec. | Max. Cutting Capability(mm) |                          | Pack Qty |
|---------|-------|-----------------------------|--------------------------|----------|
| DL20032 | 10"   | Cold rolled steel<br>1.2mm  | Stainless steel<br>0.7mm | 1/10/60  |

## Tin Snips

- Cutting Edges shear with alloy steel, surface heat treatment, sharp cutting
- Two color handle comfortable grip with dipped plastic

| Item #  | Spec. | Max. Cutting Capability(mm) |                          | Pack Qty |
|---------|-------|-----------------------------|--------------------------|----------|
| DL4370  | 8"    | Cold rolled steel<br>0.6mm  | Stainless steel<br>0.4mm | 1/6/60   |
| EDL4371 | 10"   | Cold rolled steel<br>0.8mm  | Stainless steel<br>0.5mm |          |

## American Tin Snips

- Cutting Edges shear with alloy steel, surface heat treatment, sharp cutting
- Two color handle comfortable grip with dipped plastic

| Item #  | Spec. | Max. Cutting Capability(mm) |                          | Pack Qty |
|---------|-------|-----------------------------|--------------------------|----------|
| DL25912 | 12"   | Cold rolled steel<br>0.9mm  | Stainless steel<br>0.6mm | 1/6/36   |

## Heavy-Duty Steel Wire Cutter

Cr-V

- Forged 60Cr-V steel body with heat-treated surface for sharp cutting
- Q235 steel handle for good robustness and durability
- Suitable for cutting single-strand or multi-strand steel wires, wire ropes, cables, etc

| Item #  | Spec. | Max. Cutting Capability(mm) |  | Pack Qty |
|---------|-------|-----------------------------|--|----------|
| DL20224 | 24"   | 10mm                        |  | 1/-/10   |
| DL20236 | 36"   | 14mm                        |  | 1/-/5    |

## Cable Cutter

- T8 steel head with heat-treated surface for sharp cutting
- PVC-coated handle for comfortable grip
- Applicable for cutting multi-strand copper, aluminum cables

| Item #  | Spec. | Max. Cutting Capability(mm) |  | Pack Qty |
|---------|-------|-----------------------------|--|----------|
| DL45018 | 450mm | 175mm <sup>2</sup>          |  | 1/-/12   |
| DL60024 | 600mm | 240mm <sup>2</sup>          |  | 1/-/10   |
| DL80032 | 800mm | 400mm <sup>2</sup>          |  | 1/-/5    |
| DL90036 | 900mm | 500mm <sup>2</sup>          |  | 1/-/5    |

## Wire Cutter

- Using 65Mn blackened pliers, rust and corrosion resistance
- Plier head hardness up to 56HRC, shear sharp

| Item #   | Spec. | Max. Cutting Capability(mm) | Pack Qty |
|----------|-------|-----------------------------|----------|
| EDL2685C | 8"    | φ3mm                        | 1/10/60  |

## Bolt Cutter

- Using Cr-Mo pliers hardness up to 56HRC, strong and durable
- Shear hardness up to 30HRC, shear sharp
- The pliers are treated with black finish, good anti-rust effect

| Item #  | Spec. | Max. Cutting Capability(mm) | Pack Qty |
|---------|-------|-----------------------------|----------|
| EDL2687 | 12"   | φ4mm                        | 1/-/24   |
| EDL2688 | 14"   | φ5mm                        | 1/-/24   |

| EDL2624 | 24"   | φ8mm                        | 1/-/24   |
| EDL2630 | 30"   | φ10mm                       | 1/-/24   |
| EDL2636 | 36"   | φ12mm                       | 1/-/24   |
| EDL2642 | 42"   | φ14mm                       | 1/-/24   |

## Heavy Duty Scissor

- Precision forged and high-frequency quenched stainless steel blade, with heat-treated surface, for sharp cutting
- Dual-color ABS plastic handle for comfortable grip

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL2614 | 170mm | 1/8/72   |
| DL2613 | 195mm | 1/8/72   |

## Scissor

- Precision forged and high-frequency quenched stainless steel blade, with heat-treated surface, for sharp cutting

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL2615 | 200mm | 1/12/120 |

## File Set

- T12 steel material, strong and durable
- Rubber covered handle, comfortable to grip

| Item #    | Spec.                                                                         | Pack Qty |
|-----------|-------------------------------------------------------------------------------|----------|
| EDL3520B5 | 8" Round file 8" Half Round file 8" Flat file 8" Triangle file 8" Square file | 1/5/20   |

## Hydraulic Crimper

- Special steel made crimping module for strength and durability
- Widely used in electric power, communications, transportation, petroleum and petrochemical, metallurgy and shipbuilding industries
- Crimping block for easy operation, safety, and strength

| Item #    | Crimping Range                        | Crimping Force(KN) | Pack Qty |
|-----------|---------------------------------------|--------------------|----------|
| EDL-YQ70  | 6mm <sup>2</sup> -70mm <sup>2</sup>   | 45                 | 1/-/5    |
| EDL-YQ120 | 10mm <sup>2</sup> -120mm <sup>2</sup> | 70                 | 1/-/4    |

| DL-YQ300  | 16mm <sup>2</sup> -300mm <sup>2</sup> | 85                 | 1/-/4    |

## Hydraulic Wire Crimper

- Cr12 steel head for good cutting performance
- Suitable for cutting the steel bars with hardness below 10HRC

| Item #   | Cutting Range(mm) | Crimping Force(T) | Pack Qty |
|----------|-------------------|-------------------|----------|
| EDL-YQ16 | Φ4-Φ16            | 8                 | 1/-/4    |
| DL-YQ20  | Φ4-Φ20            | 14                | 1/-/4    |

## Hacksaw

## Adjustable Hacksaw

- High-quality carbon steel with quenched saw teeth, for good toughness, high abrasion resistance, and sharp saw cutting
- Q195 steel handle for long lasting and comfortable grip
- Adjustable sizes "8"-10"-12" for different working applications

| Item # | Spec.      | Saw Blade Length(mm) | Pack Qty |
|--------|------------|----------------------|----------|
| DL6008 | 8"-10"-12" | 305                  | 1/10/40  |

## Square Tube Hacksaw

- High-quality carbon steel with quenched saw teeth, for good toughness, high abrasion resistance, and sharp saw cutting
- Q195 steel handle for long lasting and comfortable grip
- Adjustable sizes "8"-10"-12" for different working applications

| Item # | Spec. | Saw Blade Length(mm) | Pack Qty |
|--------|-------|----------------------|----------|
| DL6001 | 12"   | 305                  | 1/6/24   |

## Mini Hacksaw

- 65Mn saw blade, Saw teeth quenching treatment, good toughness and high wear resistance
- Flat steel saw body, Strong and durable
- Handle with rubber coated, comfortable grip

| Item #   | Spec. | Saw Blade Length(mm) | Pack Qty |
|----------|-------|----------------------|----------|
| DL353106 | 6"    | 150                  | 1/25/100 |

## Heavy Duty Hacksaw

- 65Mn saw blade, Saw teeth quenching treatment, good toughness and high wear resistance
- Flat steel saw body, Strong and durable
- Handle with rubber coated, comfortable grip

| Item #   | Spec. | Saw Blade Length(mm) | Pack Qty |
|----------|-------|----------------------|----------|
| DL353812 | 12"   | 300                  | 1/10/40  |

## Hacksaw

- Flat steel frame, strong and durable
- 65Mn steel saw blade for good toughness, high abrasion resistance, and sharp cutting, suitable for decoration, cutting wood boards, plastics, aluminum, copper, stainless steel, and other materials
- Adjustable screw for quick change of saw blades
- PP handle for comfortable grip

| Item #    | Spec. | Saw Blade Length(mm) | Pack Qty |
|-----------|-------|----------------------|----------|
| EDL353712 | 12"   | 300                  | 1/6/36   |

## Mini Hacksaw

- Aluminum alloy frame for easy carry and convenient use
- 65Mn steel saw blade for good toughness, high abrasion resistance, and sharp cutting, suitable for decoration, cutting wood boards, plastics, aluminum, copper, stainless steel, and other materials
- Adjustable screw for quick change of saw blades
- Coated handle for comfortable grip

| Item #  | Spec. | Saw Blade Length(mm) | Pack Qty |
|---------|-------|----------------------|----------|
| EDL6007 | 6"    | 150                  | 1/26/104 |

## Saw Blade Set

- High carbon steel with high-frequency quenched surface, for good toughness and high abrasion resistance
- Tight saw teeth to ensure the cutting straightness and sawing speed
- Used for cutting soft materials such as wood, copper, aluminum and others

| Item # | Spec. | Teeth | Pack Qty |
|--------|-------|-------|----------|
| DL6104 | 12"   | 24T   | 1/-/10   |

## Saw Blade Set

- 65Mn steel with high-frequency quenched surface, for good toughness and high abrasion resistance
- Tight saw teeth to ensure the cutting straightness and sawing speed
- Used for cutting soft materials such as wood, copper, aluminum and others

| Item # | Spec. | Teeth | Pack Qty |
|--------|-------|-------|----------|
| DL6103 | 12"   | 24T   | 1/-/10   |

## Saw Blade Set

- High speed steel and spring steel with high-frequency quenched surface, for good toughness and high abrasion resistance
- Tight saw teeth to ensure the cutting straightness and sawing speed
- Used for cutting hard materials such as wood, stainless steel, carbon steel, copper and others

| Item # | Spec. | Teeth | Pack Qty |
|--------|-------|-------|----------|
| DL6101 | 12"   | 24T   | 1/-/10   |

## Saw Blade Set

8000P

- High speed steel and spring steel with high-frequency quenched surface, for good toughness and high abrasion resistance
- Tight saw teeth to ensure the cutting straightness and sawing speed
- Used for cutting hard materials such as wood, stainless steel, carbon steel, copper and others

| Item # | Spec. | Teeth | Pack Qty |
|--------|-------|-------|----------|
| DL4673 | 12"   | 24T   | 1/20/120 |

## Saw Blade Set

65  
Min Steel

- 65Mn steel with high-frequency quenched surface, for good toughness and high abrasion resistance
- Tight saw teeth to ensure the cutting straightness and sawing speed
- Used for cutting soft materials such as wood, copper, aluminum and others

| Item #   | Spec. | Teeth | Pack Qty |
|----------|-------|-------|----------|
| DL353001 | 6"    | 24T   | 1/60/480 |

## Saw Blade Set

65  
Min Steel

- 65Mn steel with high-frequency quenched surface, for good toughness and high abrasion resistance
- Tight saw teeth to ensure the cutting straightness and sawing speed
- Used for cutting soft materials such as wood, copper, aluminum and others

| Item #   | Spec. | Teeth | Pack Qty |
|----------|-------|-------|----------|
| DL353002 | 12"   | 24T   | 1/10/60  |

## Cleaning Scraper Blade

8000P

- Alloy steel blades, sharp cutting
- Overall heat treatment, durable and durable

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| DL-DP4723 | 18mm  | 1/10/240 |

## Cleaning Scraper

EDL4723 Including 10 Blades

- Alloy blade with heat-treated surface for sharp cutting
- HIPS handle, lightweight and durable

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| EDL4723C | 18mm  | 1/10/120 |
| EDL4723  | 18mm  | 1/10/240 |

## Cleaning Scraper

SK5

- SK5 blade with heat-treated surface for sharp cutting
- Aluminum alloy cutter head
- PP handle, and can be extended with wood stick

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL359210 | 14mm  | 1/10/120 |

## Cleaning Scraper

SK5

- SK5 blade with heat-treated surface for sharp cutting
- Aluminum alloy cutter head
- ABS handle for comfortable grip
- Metal scraper handle with a thick tail that for knocking and tapping

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| EDL4725 | 18mm  | 1/10/60  |
| EDL4726 | 18mm  | 1/10/60  |
| EDL4727 | 18mm  | 1/10/60  |

## Putty Knife

- Stainless steel blade, polished treatment, waterproof and rust-proof
- Two-color rubberized handle for comfortable grip

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| EDL-HD2 | 2"    | 1/12/240 |
| EDL-HD3 | 3"    | 1/12/240 |
| EDL-HD4 | 4"    | 1/12/240 |

## Putty Knife Set

- Stainless steel blade, polished treatment, waterproof and rust-proof
- Two-color rubberized handle for comfortable grip

| Item #    | Spec.    | Pack Qty |
|-----------|----------|----------|
| EDL359204 | 2pcs/Set | 1/-/50   |

## Polyester Gloves

- Light weight operating gloves made of polyester, with a 10-stitch densification process, and PVC dotted surface, making it anti-slip and wear resistant
- Resilient wrist aperture design with an elastic cord that fits the hands, making the gloves light and breathable and facilitating flexibility of use
- The first web section is reinforced, with an improved wear resistance and extended service life
- The product can be reused after washing; washing may lead to slight shrinkage, but it will not affect reuse

| Item #   | Spec.       | Material           | Knitting Technology(grams) | Pack Qty             |
|----------|-------------|--------------------|----------------------------|----------------------|
| DL521021 | 8.5 (215mm) | Polyester+Pvc Dots | 10-stitch(700g)            | 1(12 paris/bag)/1/40 |

## Cotton Gloves

- Lightweight operating gloves made of cotton yarn, with a 10-stitch densification process, making it sweat absorbent, wear resistant and resistant to unthreading
- Resilient wrist aperture design with an elastic cord that fits the hands, making the gloves light and breathable and facilitating flexibility of use
- The first web section is reinforced, with an improved wear resistance and extended service life
- The product can be reused after washing; washing may lead to slight shrinkage, but it will not affect reuse

| Item #   | Spec.       | Material    | Knitting Technology(grams) | Pack Qty             |
|----------|-------------|-------------|----------------------------|----------------------|
| DL521002 | 8.5 (215mm) | Spun cotton | 10-stitch(500g)            | 1(12 paris/bag)/1/40 |

## Thickened Cotton Gloves

- Lightweight operating gloves made of cotton yarn, with a 7-stitch thickening process, making it sweat absorbent, wear resistant and resistant to unthreading
- Resilient wrist aperture design with an elastic cord that fits the hands, making the gloves light and breathable and facilitating flexibility of use
- The first web section is reinforced, with an improved wear resistance and extended service life
- The product can be reused after washing; washing may lead to slight shrinkage, but it will not affect reuse

| Item #   | Spec.       | Material    | Knitting Technology(grams) | Pack Qty             |
|----------|-------------|-------------|----------------------------|----------------------|
| DL521001 | 8.5 (215mm) | Spun cotton | 7-stitch(700g)             | 1(12 paris/bag)/1/40 |

## Polyester Nitrile-Coated Gloves

- Lightweight operating gloves made of polyester fiber, with a 13-stitch densification process, making it resistant to unthreading. The surface is coated with butyronitrile, for enhanced response to dry and oily environments and improved wear resistance; The back of the glove is uncoated to make it breathable and comfortable
- Resilient wrist aperture design with an elastic cord that fits the hands, which facilitates flexibility of use
- The product is suitable for operations that require slip resistance, wear resistance, oil resistance, acid and alkali resistance, etc
- The product can be reused after washing; washing may lead to slight shrinkage, but it will not affect reuse

| Item #   | Spec.     | Material          | Knitting Technology(grams) | Pack Qty             |
|----------|-----------|-------------------|----------------------------|----------------------|
| DL521031 | 9 (230mm) | Polyester+Nitrile | 10-stitch(500g)            | 1(12 paris/bag)/1/40 |

## Polyester Gloves

- Lightweight operating gloves made of polyester, cotton yarn and more, with a 10-stitch densification process, polished surface for softness and comfort
- Resilient wrist aperture design with an elastic cord that fits the hands, making the gloves light and breathable and facilitating flexibility of use
- The first web section is reinforced, with an improved wear resistance and extended service life
- The product can be reused after washing; washing may lead to slight shrinkage, but it will not affect reuse

| Item #   | Spec.       | Material  | Knitting Technology(grams) | Pack Qty             |
|----------|-------------|-----------|----------------------------|----------------------|
| DL521003 | 8.5 (215mm) | Polyester | 10-stitch(500g)            | 1(12 paris/bag)/1/40 |

## Cut Resistant Nitrile-Coated Gloves

- The product is made of a new fiber material, with a 13-stitch densification process and built-in HPPE for a protection level up to 4543, effectively protecting the safety of users
- The palm of the glove is treated with butyronitrile, for an enhanced ability to respond to dry and oily environments and improved wear resistance; The back of the glove is uncoated to make it breathable and comfortable
- Resilient wrist aperture design that fits the hands, which is comfortable and anti-slip
- The product can be reused after washing; washing may lead to slight shrinkage, but it will not affect reuse

| Item #   | Spec.       | Material     | Knitting Technology(grams) | Pack Qty |
|----------|-------------|--------------|----------------------------|----------|
| DL521041 | 9.5 (240mm) | HPPE+Nitrile | 13-stitch(80g)             | 1/12/72  |

Electrode Holder  
Welding Mask/Gloves

11

# SOLDERING TOOLS

## Electrode Holder

- One-piece pure copper for high electrical conductivity
- DMC insulated handle with antislip design for comfortable grip, excellent insulation, heat resistance and impact resistance

| Item #   | Spec.    | Pack Qty |
|----------|----------|----------|
| DL23300A | 300A     | 1/-/30   |
| DL23500A | 500A     | 1/-/30   |
| DL23800A | 600-800A | 1/-/30   |

### Electrode Holder

- One-piece pure copper for high electrical conductivity
- DMC insulated handle with antislip design for comfortable grip, excellent insulation, heat resistance and impact resistance

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL23500 | 500   | 1/-/40   |
| DL23800 | 800   | 1/-/40   |

### Welding Mask

- PP plastic body for comfortable grip, crack resistant and durability
- Adopts L-shaped filter with hading number 10

| Item #   | Spec.         | Pack Qty |
|----------|---------------|----------|
| DL23900  | 320×220×140mm | 1/-/40   |
| DL23950A | 275×220×190mm | 1/-/25   |

### Welding Gloves

- Two-layer cow leather for good abrasion resistance, heat insulation, cut resistance and fire resistance
- The design of the product seam protection strip prevents the naked car line from leaking and prevents splashes from causing the rope to burn
- The product size is lengthened, which can effectively protect hands and arms

| Item # | Spec. | Pack Qty |
|--------|-------|----------|

| DL430320 | 20"(480×260×310mm) | 1/5/10   |

### Tool Belt Bags

- Material: durable high-grade polyester fabric and high-elasticity EVA
- Multifunctional pockets for easy use

| Item # | Spec.         | Pack Qty |
|--------|---------------|----------|
| DL-P4  | 220×140×220mm | 1/-/30   |

### Tool Belt Bags

- Material: durable high-grade polyester fabric and high-elasticity EVA
- Multifunctional pockets for easy use

| Item # | Spec.         | Pack Qty |
|--------|---------------|----------|
| DL-P5  | 250×140×220mm | 1/-/30   |

### Tool Belt Bags

- Material: high-grade polyester fabric
- Durable and portable

| Item # | Spec.         | Pack Qty |
|--------|---------------|----------|
| DL-P6  | 320×110×310mm | 1/-/50   |

### Tool Belt Bags

- Densified Oxford cloth
- Pearl cotton used for comfortable hanging
- Anti-scratch and anti-puncture pocket

| Item # | Spec.        | Pack Qty |
|--------|--------------|----------|
| DL5864 | 600×145×50mm | 1/12/48  |

### Tool Belt Bags

- Thickened Oxford cloth material, durable and portable
- PE partition pocket, scratch-resistant and punctured
- Multifunctional pockets for easy use

| Item #   | Spec.     | Pack Qty |
|----------|-----------|----------|
| DL430003 | 250×120mm | 1/-/30   |

### Tool Belt Bags

- Thickened Oxford cloth material, durable and portable
- PE partition pocket, scratch-resistant and punctured
- Lithium-ion drill special pocket, easy to storage

| Item #   | Spec.     | Pack Qty |
|----------|-----------|----------|
| DL430004 | 260×150mm | 1/-/30   |

## Tool Box

Travel storage is done in one box

which can be used for travel carrying, tool storage, worker maintenance and decoration storage

### Shoulder Strap For Tool Belts

- Material: durable high-grade plain cloth
- Comfortable and antislip plastic shoulder strap
- Special use with DL5865 Tool belt bags

| Item # | Spec.    | Pack Qty |
|--------|----------|----------|
| DL5866 | 130x38mm | 1/12/144 |

### Oxford Cloth Storage Box

- 50L large storage capacity
- Folding design
- Oxford fabric cloth for durability
- High strength PE plate for strong support

| Item #   | Spec.      | Pack Qty |
|----------|------------|----------|
| DL432050 | 52x34x30mm | 1/-/6    |

### Plastic Tool Box

- High-strength engineering plastics and metal connecting shaft, strong and durable
- Large size handle for comfortable grip
- Two-layer folding structure for excellent storage capacity
- Multi-functional parts boxes for easy access

| Item #    | Spec. | Max. Load | Weight | Pack Qty |
|-----------|-------|-----------|--------|----------|
| EDL432412 | 12"   | 3kg       |        | 1/-/36   |
| EDL432413 | 13"   | 4kg       |        | 1/-/20   |

| EDL432417 | 17"   | 6kg       |        | 1/-/16   |

### Reinforced Plastic Tool Box

- Strong load-bearing capacity
- Double-layer structure, strong storage performance

| Item #   | Spec. | Max. Load | Weight | Pack Qty |
|----------|-------|-----------|--------|----------|
| DL432214 | 15"   | 6kg       |        | 1/-/12   |
| DL432218 | 17"   | 7.5kg     |        | 1/-/12   |
| DL432220 | 20"   | 20kg      |        | 1/-/4    |

### Art Tool Box

- Simple buckle, easy to open and close
- Safe and environment-friendly PP material

| Item #    | Spec.      | Max. Load | Weight | Pack Qty |
|-----------|------------|-----------|--------|----------|
| DL432013A | 13" / Blue | 5kg       |        | 1/-/20   |
| DL432013B | 13" / Pink | 5kg       |        | 1/-/20   |

### Plastic Tool Box

- High-strength engineering plastic material
- Metal buckle, Durable
- Rubber and plastic double material handle

| Item #   | Spec. | Max. Load | Weight | Pack Qty |
|----------|-------|-----------|--------|----------|
| DL432117 | 17"   | 20kg      |        | 1/-/9    |

# TOOL STORAGE

## Stainless Steel Tool Box

- Aluminum alloy body, foldable pulling rod with adjustable height
- Two layers design, excellent storage performance
- Comfortable carrying handle, hold without strangling hands

| Item #   | Spec.      | Max. Load | Weight | Pack Qty |
|----------|------------|-----------|--------|----------|
| DL432020 | 47×22×22cm | 20kg      |        | 1/-/6    |

## Metal Tool Box

- Cold-rolled steel material
- Orange-peel varnish baking process, for strong rust resistance
- Portable plastic handle for a comfortable grip

| Item #   | Spec.         | Product N.W | Pack Qty |
|----------|---------------|-------------|----------|
| DL-TX017 | 420×180×160mm | 2.6kg       | 1/-/4    |

## Metal Tool Box

- Cold-rolled steel material
- Orange-peel varnish baking process, for strong rust resistance
- Portable plastic handle for a comfortable grip

| Item # | Spec.         | Product N.W | Pack Qty |
|--------|---------------|-------------|----------|
| DL6161 | 355×160×150mm | 1.3kg       | 1/-/6    |
| DL6162 | 480×160×150mm | 1.6kg       | 1/-/4    |

## Metal Tool Box

- Cold-rolled steel material
- Orange-peel varnish baking process, for strong rust resistance
- Double handles for stronger load bearing capacity

| Item # | Spec.         | Product N.W | Pack Qty |
|--------|---------------|-------------|----------|
| DL6231 | 420×200×160mm | 2.5kg       | 1/-/4    |

## Metal Tool Box

- Cold-rolled steel material
- Orange-peel varnish baking process, for strong rust resistance
- Double handles for stronger load bearing capacity

| Item # | Spec.         | Product N.W | Pack Qty |
|--------|---------------|-------------|----------|
| DL6232 | 420×180×160mm | 3.1kg       | 1/-/4    |

## Trolley Tool Box

- Retractable pull rod, high-strength rollers at the bottom, for ease of movement
- Tool boxes of three specifications can be combined or detached as desired
- Dual designs of metal lock and keyhole, making it safe and secure
- The first layer is tilting toolkit; the second is drawer-type toolkit and the third is hand-held toolkit

| Item #     | Spec.         | Max. Load | Weight | Pack Qty |
|------------|---------------|-----------|--------|----------|
| DL-TS3C-20 | 520×320×720mm | 16kg      |        | 1/-/1    |

## Parts Box

- Environmental PP, safe and non-toxic
- Detachable insert, compartmentalized storage
- Firm and durable, can be either hung or placed

| Item #   | Spec.        | Pack Qty |
|----------|--------------|----------|
| DL432001 | 138×70×30mm  | 1/-/64   |
| DL432002 | 200×135×45mm | 1/-/36   |

## Parts Box

- Environmental PP, safe and non-toxic
- Detachable insert, compartmentalized storage
- Firm and durable, can be either hung or placed

| Item #   | Spec.        | Pack Qty |
|----------|--------------|----------|
| DL432003 | 315×280×60mm | 1/-/24   |

## Parts Cabinet

- 30 small drawers + 9 large drawers
- Convenient classification and clear storage
- Firm and durable, can be either hung or placed

| Item #   | Spec.        | Pack Qty |
|----------|--------------|----------|
| DL432039 | 47.5×38×16cm | 1/-/4    |

## Insulated Combination Pliers

1000V  
IEC 60900

- Forged and specially heat-treated Cr-V for sharp cutting
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Cutting Range               | Pack Qty |
|----------|-------|-----------------------------|----------|
| DL5I2006 | 6"    | Mid-hard steel $\Phi$ 1.6mm | 1/6/60   |
| DL5I2007 | 7"    | Mid-hard steel $\Phi$ 2.0mm | 1/6/60   |
| DL5I2008 | 8"    | Mid-hard steel $\Phi$ 2.0mm | 1/6/60   |

## Insulated Diagonal Cutting Pliers

1000V  
IEC 60900

- Forged and specially heat-treated Cr-V for sharp cutting
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Cutting Range               | Pack Qty |
|----------|-------|-----------------------------|----------|
| DL5I2207 | 7"    | Mid-hard steel $\Phi$ 1.6mm | 1/6/60   |

## Insulated Diagonal Cutting Pliers

1000V  
IEC 60900

- Forged and specially heat-treated Cr-V for sharp cutting
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Cutting Range               | Pack Qty |
|----------|-------|-----------------------------|----------|
| DL5I2206 | 6"    | Mid-hard steel $\Phi$ 1.6mm | 1/6/60   |

## Insulated Long Nose Pliers

1000V  
IEC 60900

- Forged and specially heat-treated Cr-V for sharp cutting
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Cutting Range               | Pack Qty |
|----------|-------|-----------------------------|----------|
| DL5I2I06 | 6"    | Mid-hard steel $\Phi$ 1.6mm | 1/6/60   |
| DL5I2I08 | 8"    | Mid-hard steel $\Phi$ 1.8mm | 1/6/60   |

## Insulated Wire Stripper

1000V  
IEC 60900

- Forged and specially heat-treated Cr-V for sharp cutting
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Cutting Range      | Pack Qty |
|----------|-------|--------------------|----------|
| DL5I5006 | 6"    | 100mm <sup>2</sup> | 1/6/60   |

## Insulated Cable Cutter

1000V  
IEC 60900

- Forged and specially heat-treated Cr-V for sharp cutting
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Cutting Range     | Pack Qty |
|----------|-------|-------------------|----------|
| DL5I5I06 | 6"    | 22mm <sup>2</sup> | 1/6/60   |
| DL5I5I10 | 10"   | 60mm <sup>2</sup> | 1/6/60   |

## Insulated Test Pen

1000V  
IEC 60900

- Cr-Vshank with overall heat treatment
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Measurable range: 250V~
- VED and GS certified

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL5I5250 | 250V~ | 1/12/360 |

## Insulated Slotted Screwdriver

1000V  
IEC 60900

- Integrally heat-treated Cr-V shank with black finish and strong magnetic blade
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #    | Spec.     | Pack Qty |
|-----------|-----------|----------|
| DL5I2075I | 2.5*75mm  | 1/12/480 |
| DL5I3I00I | 3.0*100mm | 1/12/480 |
| DL5I4I00I | 4.0*100mm | 1/12/240 |
| DL5I5I25I | 5.5*125mm | 1/12/240 |
| DL5I6I50I | 6.5*150mm | 1/12/120 |

## Insulated Phillips Screwdriver

1000V  
IEC 60900

- Integrally heat-treated Cr-V shank with black finish and strong magnetic blade
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec.     | Pack Qty |
|----------|-----------|----------|
| DL5I3060 | PH0*60mm  | 1/12/480 |
| DL5I4080 | PH1*80mm  | 1/12/240 |
| DL5I6I00 | PH2*100mm | 1/12/240 |
| DL5I8I50 | PH3*150mm | 1/12/120 |

### Insulated Billhook Cable Stripping Knife

- Forged and heat-treated stainless steel with a hardness up to 58-62HRC, for sharp cutting
- Insulated dual-color rubber-coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Billhook blade with sliding guide block to avoid damage to the inner wires of cables
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Blade Length | Pack Qty |
|----------|-------|--------------|----------|
| DL515180 | 180mm | 30mm         | 1/6/60   |

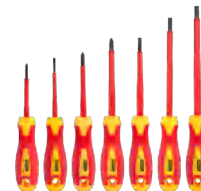

### Insulated Flat Cable Stripping Knife

- Forged and heat-treated stainless steel with a hardness up to 58-62HRC, for sharp cutting
- Insulated dual-color rubber-coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #   | Spec. | Blade Length | Pack Qty |
|----------|-------|--------------|----------|
| DL515185 | 185mm | 50mm         | 1/6/60   |

### Insulation Tool Set

- Integrally heat-treated Cr-V shank with black finish and strong magnetic blade
- Insulated dual-color coated handle for comfortable grip
- German VDE certified, pass the insulated 10,000V high voltage test, withstand 1000V working pressure and meet IEC60900 standard
- Please check carefully before use to ensure that the insulation layer is not damaged, clean and dry

| Item #                                                                                                                                 | Pack Qty |

### Single Glass Suction Cup Lifter

Metal Shell

- The body of the cup is made of special steel for strength and durability
- The suction cup is made of natural rubber with a precise formula, providing a strong suction force

| Item #  | Spec. | Overall Suction | Pack Qty |
|---------|-------|-----------------|----------|
| DL-XP01 | 118mm | 50kg            | 1/-/30   |

### Dual Glass Suction Cup Lifter

Metal Shell

- The body of the cup is made of special steel for strength and durability
- The suction cup is made of natural rubber with a precise formula, providing a strong suction force

| Item #  | Spec. | Overall Suction | Pack Qty |
|---------|-------|-----------------|----------|
| DL-XP02 | 118mm | 100kg           | 1/-/20   |

### Triple Glass Suction Cup Lifter

Metal Shell

- The body of the cup is made of special steel for strength and durability
- The suction cup is made of natural rubber with a precise formula, providing a strong suction force

| Item #  | Spec. | Overall Suction | Pack Qty |
|---------|-------|-----------------|----------|
| DL-XP03 | 118mm | 150kg           | 1/-/10   |

### Triple Glass Suction Cup Lifter

Metal Shell

- The body of the cup is made of special steel for strength and durability
- The suction cup is made of natural rubber with a precise formula, providing a strong suction force

| Item #  | Spec. | Overall Suction | Pack Qty |
|---------|-------|-----------------|----------|
| DL-XP13 | 150mm | 225kg           | 1/-/10   |

### Single Glass Suction Cup Lifter

- Strong suction
- High stability
- Thicken Suction Cup

| Item #  | Spec. | Overall Suction | Pack Qty |
|---------|-------|-----------------|----------|
| DL-XP21 | 118mm | 40kg            | 1/-/40   |

### Caulking Gun

- High quality steel body with simple structure
- 360 rotation angle
- Easy to change glue

| Item #  | Spec.    | Pack Qty |
|---------|----------|----------|
| EDL2360 | 9"(30mm) | 1/6/36   |

### Caulking Gun

- High quality steel body with simple structure
- 360 rotation angle
- Easy to change glue

| Item #  | Spec.    | Pack Qty |
|---------|----------|----------|
| EDL2350 | 9"(30mm) | 1/6/36   |

### Caulking Gun

- High quality steel body with simple structure
- 360 rotation angle
- Easy to change glue

| Item #  | Spec.    | Pack Qty |
|---------|----------|----------|
| EDL2370 | 9"(30mm) | 1/6/36   |

### Caulking Gun

- High quality steel body with simple structure
- 360 rotation angle
- Easy to change glue

| Item #   | Spec.      | Pack Qty |
|----------|------------|----------|
| EDL2370A | 10"(250mm) | 1/6/36   |

### Aluminum Caulking Gun

- High quality aluminum body with simple structure
- Easy to change glue

| Item #  | Spec.      | Pack Qty |
|---------|------------|----------|
| EDL2380 | 15"(380mm) | 1/-/24   |

### Mini Claw Hammer

- Carbon steel hammer head with polished surface, beautiful and practical
- TPR coated handle for comfortable grip
- Embedding process to avoid falling of head
- Compact size for easy carry and convenient use

| Item #   | Spec.  | Pack Qty |
|----------|--------|----------|
| DL441008 | 0.25kg | 1/6/48   |

### Claw Hammer with Fiberglass Handle

- High quality carbon steel hammer head for strong impact resistance
- Embedding process to avoid falling of head
- High strength fiberglass handle for comfortable grip

| Item #  | Spec.  | Pack Qty |
|---------|--------|----------|
| EDL5001 | 0.25kg | 1/6/36   |
| EDL5002 | 0.5kg  | 1/6/36   |
| DL5003  | 0.75kg | 1/6/24   |

### Claw Hammer with Steel Handle

- High-quality high-carbon steel hammer head
- Embedding process to avoid falling of head
- The edge of hammer head is specially tempered for improved safety
- Chrome-plated steel handle

| Item #  | Spec.  | Pack Qty |
|---------|--------|----------|
| DL5025  | 0.25kg | 1/6/60   |
| EDL5050 | 0.5kg  | 1/6/36   |

### Claw Hammer with Wooden Handle

- High quality high carbon steel hammer head, special inlay process, good anti-detachment performance
- Green Gump wood hammer handle, comfortable grip
- Hammer head edge steel special tempering treatment, higher safety factor

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| EDL5250 | 0.5kg | 1/6/36   |

### Claw Hammer with Fiberglass Handle

- Magnetic staple slot
- Anti-slip percussion surface
- Non-slip fiberglass handle for comfortable grip
- Portable hook design
- Arc-shaped percussion surface to reduce the force-bearing area and save effort

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL5010F | 10oz  | 1/6/36   |
| DL5013F | 13oz  | 1/6/36   |

### Claw Hammer with Fiberglass Handle

- Magnetic staple slot
- Anti-slip percussion surface
- Non-slip fiberglass handle for comfortable grip
- Portable hook design
- Arc-shaped percussion surface to reduce the force-bearing area and save effort

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL5010Y | 10oz  | 1/6/36   |
| DL5013Y | 13oz  | 1/6/36   |

### Claw Hammer with Fiberglass Handle

- High quality carbon steel hammer head for strong impact resistance
- Embedding process to avoid falling of head
- High strength fiberglass handle for comfortable grip

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| EDL5027Y | 27mm  | 1/6/24   |

### Ball Peen Hammer with Wooden Handle

- Forged high-carbon steel for impact resistance
- Special embedding process to avoid falling of head
- Beech wood handle for comfortable grip and good toughness

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL5145 | 16oz  | 1/6/36   |
| DL5168 | 24oz  | 1/6/24   |
| DL5191 | 32oz  | 1/6/24   |

### Ball Peen Hammer with Fiberglass Handle

- High quality carbon steel hammer head
- High strength fiberglass handle for comfortable grip
- Embedding process to avoid falling of head

| Item #    | Spec.  | Pack Qty |
|-----------|--------|----------|
| EDL443016 | 0.45kg | 1/6/36   |
| EDL443024 | 0.68kg | 1/6/24   |

### Rubber and Plastic Hammer

- Embedded head to avoid loosening and falling
- High quality PVC hammer for strike resistance, less deformation and easy replacement
- High-quality coated steel handle for comfortable grip

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL5330  | 30mm  | 1/6/36   |
| DL5335  | 35mm  | 1/6/36   |
| EDL5340 | 40mm  | 1/6/36   |

## OTHER TOOLS

### Rubber Hammer

- Special rubber head to avoid damage to the striking surface
- Iron sand inside the head to prevent it from bouncing when striking
- Rubberized steel handle for n comfortable operatio and shock absorption

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| DL5612  | 12oz  | 1/6/36   |
| EDL5616 | 16oz  | 1/6/36   |
| DL5624  | 24oz  | 1/6/36   |

### Sledge Hammer with Wooden Handle

- High-carbon-steel hammer head for smoothness and impact resistance
- Wooden handle that for toughness and durability

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL5203 | 3lb   | 1/5/20   |
| DL5204 | 4lb   | 1/4/16   |

### Sledge Hammer with Fiberglass Handle

- High quality carbon steel hammer head with Input power coated surface
- High strength fiberglass handle for Embedding process to avoid falling of head

| Item #  | Spec. | Pack Qty |
|---------|-------|----------|
| EDL6911 | 6lb   | 1/-/4    |
| EDL6912 | 8lb   | 1/-/4    |
| EDL6913 | 10lb  | 1/-/4    |
| EDL6914 | 12lb  | 1/-/4    |
| DL6915  | 14lb  | 1/-/4    |

### Stoning Hammer

- High quality carbon steel hammer head with Input power coated surface
- High strength fiberglass handle for comfortable grip
- Embedding process to avoid falling of head

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL447010 | 1kg   | 1/4/26   |
| EDL447030 | 3kg   | 1/-/4    |

### Fitters Hammer with Fiberglass Handle

- High quality carbon steel hammer head
- High strength fiberglass handle for comfortable grip
- Embedding process to avoid falling of head

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL442003 | 0.3kg | 1/6/36   |
| EDL442005 | 0.5kg | 1/6/36   |
| EDL442010 | 1kg   | 1/4/16   |

### Fitters Hammer with Wooden Handle

- High quality carbon steel hammer head for strong impact resistance
- High-quality beech wood handle for comfortable grip
- Close connection between head and handle with glue filling to avoid falling

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL442200 | 200g  | 1/6/60   |
| DL442300 | 300g  | 1/6/60   |
| DL442500 | 500g  | 1/6/36   |
| DL442800 | 800g  | 1/6/24   |

### Wood Chisel

- The blade is finely polished and durable
- The heat-treated blade is hardened as a whole and can be repeatedly polished and sharpened

| Item # | Spec.  | Pack Qty |
|--------|--------|----------|
| DL6238 | 10mm   | 1/6/60   |
| DL6212 | 12.5mm | 1/6/60   |
| DL6258 | 16mm   | 1/6/60   |
| DL6234 | 19mm   | 1/6/60   |
| DL6201 | 25mm   | 1/6/60   |

### Axes with Fiberglass Handle

- Forged high-carbon steel axe head for high hardness, strength and tear resistance
- TPR-coated fiberglass handle for a comfortable grip and anti-slip
- The anti-slip axe head is processed with special embedding process, making it not easy to fall off from the handle

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL5708 | 600g  | 1/6/24   |

### Axes with Wooden Handle

- Forged high-carbon steel axe head for high hardness, strength and tear resistance
- Wooden handle for a comfortable grip
- The axe head is processed with special embedding process, making it not easy to fall off from the handle

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL5706 | 600g  | 1/6/24   |

## Hollow Hammer

- The spherical design for the hammer head helps to avoid harm to people or objects
- 7 retractable sections, with each reinforced
- Sponge handle for a comfortable grip

| Item #   | Spec.          | Pack Qty |
|----------|----------------|----------|
| DL452002 | 21.5*2.4*1.2cm | 1/25/150 |
| DL452001 | 24*6*22.4cm    | 1/25/150 |
| DL452003 | 27*2.6*1.4cm   | 1/25/150 |

## Tensioner

- Integrally made of a reinforced steel plate, and the pawl is composed of three high-strength steel plates with thick steel rope, making it firm, reliable, and convenient to use
- It is suitable for infrastructure sites such as construction sites, highways, bridges, metallurgy sites, mines, tunnels, shafts, treatment, protection sites and more

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL4201 | 1T    | 1/-/10   |
| DL4202 | 2T    | 1/-/10   |
| DL4204 | 4T    | 1/-/4    |

## Strapping Tensioner

- Made of high-strength steel, sturdy and durable; manual tightening, simple
- The surface is chrome-plated, with strong rust resistance

| Item # | Spec.   | Pack Qty |
|--------|---------|----------|
| DL1216 | 12-16mm | 1/-/8    |

## Hydraulic Punch Driver Kit

- The material of the cutter head is 40Cr
- Working pressure can reach 10T
- Standard hole die specifications: 22, 27.5, 34, 43, 49, 60 mm

| Item #   | Spec.                   | Pack Qty |
|----------|-------------------------|----------|
| DL-YQK88 | 3mm steel plate 22-60mm | 1/-/2    |

## Ink Fountain

- The total length of the ink line is 15 meters, and the ink line is automatically taken up by 75 meters
- The ink cartridge adopts rubber barrier to prevent ink volatilization and ink leakage; equipped with a pressing device, the ink is evenly applied
- Anti-reversal device to protect the spring
- Threading rod and scribing pencil for thread changing are included

| Item # | Spec. | Ink Cartridge | Pack Qty |
|--------|-------|---------------|----------|
| DL23   | 15m   | 20ml          | 1/4/48   |

## Ink Fountain

- The total length of the ink line is 15 meters, and the line is manually taken up
- Closed ink cartridge design, ink is not easy to volatilize, can be used for a long time
- Equipped with a pressing device, ink evenly
- Convenient to change the line and easy to operate

| Item # | Spec. | Ink Cartridge | Pack Qty |
|--------|-------|---------------|----------|
| DL24   | 15m   | 20ml          | 1/8/64   |

## Thread Pendant

- The line retracts automatically, you can choose different weight plumbs (50~400g)
- 8 seconds automatic stop
- With strong magnets, positioning pins and fixing holes, suitable for iron, wood and concrete surfaces respectively

| Item # | Spec. | Bob Weight | String Length | Pack Qty |
|--------|-------|------------|---------------|----------|
| DL21   | 3m    | 400g       | 3m            | 1/6/36   |
| DL22   | 6m    | 400g       | 6m            | 1/6/36   |

## Cable Tie

- Made of new nylon material
- Good flame retardant performance, UL94-2
- 200 pcs per bag

| Item # | Spec.         | Max. Tensile Strength | Size      | Pack Qty |
|--------|---------------|-----------------------|-----------|----------|
| DL9446 | 4*250mm White | 130N                  | 250x3.6mm | 1/-/100  |
| DL9447 | 4*250mm Black | 130N                  | 250x3.6mm | 1/-/100  |

## Paint Spray Gun

- Suction feeding, aluminum paint can
- Hard alloy nozzle, durable
- The circular fog width is 180mm, the atomization is fine and the coating film is even

| Item # | Spec. | Nozzle Size | Spraying Distance | Working Pressure | Pack Qty |
|--------|-------|-------------|-------------------|------------------|----------|
| DL-PQ1 | 500ml | 2.0mm       | 200mm             | 3.0-6.0kg/cm2    | 1/-/10   |

## Paint Spray Gun

- Suction feeding, aluminum paint can
- Hard alloy nozzle, durable
- The circular fog width is 180mm, the atomization is fine and the coating film is even

| Item # | Spec.  | Nozzle Size | Spraying Distance | Working Pressure | Pack Qty |
|--------|--------|-------------|-------------------|------------------|----------|
| DL-PQ2 | 1000ml | 2.0mm       | 200mm             | 4.0-8.0kg/cm2    | 1/-/10   |
| DL-PQ4 | 750ml  | 1.5mm       | 200mm             | 3.0-5.0kg/cm2    | 1/-/10   |

## U-Locks

DL508290/DL508390

- All-copper B-level blade lock core with higher anti-theft coefficient
- Alloy steel integrated lock beam, overall heat treatment, can resist 8 tons of hydraulic shears
- The lock body is equipped with a dust-proof protective cover to extend the life of the lock cylinder
- Keyless lock, convenient and practical
- The lock body is wrapped in odorless rubber to prevent scratches

| Item #   | Spec.     | Material | Pack Qty |
|----------|-----------|----------|----------|
| DL508290 | 200-290mm | Copper   | 1/10/20  |
| DL508390 | 290-390mm | Copper   | 1/10/20  |

**B grade** copper blade lock cylinder  
Higher anti-theft factor

Alloy steel one-piece locking beam  
Shear and saw resistance

keyless lock  
Convenient

## Electric Drill DL601161

**1200w**  
high-efficiency  
high-power

Metal, wood, drilling holes  
Sanding coatings or concretes  
Scope of Application

Auxiliary handle

Easy and fast to change parts

Coated handle

Switch lock

Made of 800 steel,  
45 stack height stator  
1200W high-efficiency high-power

### High-strength drill chuck

Clamping jaw treated with high precision processing provides small deflection and 0.25mm diameter runout

### High quality steel alloy gear

Carburized and quenched, 44-48 surface hardness, antiabrasion and high tenacity

### Japanese precision aluminum alloy

High-precision aluminum case and fine-processed gear box ensures accurate positioning, stable running and low noise

### Two adjustable speeds with Steel alloy tenon shaft powerful acceleration

340N.m torque with high efficiency, adjusting speed based working conditions to save torque

### Large capacity battery ensures extended working hours

Two 5Ah batteries ensure extended working hours. Each battery pack can disassemble 330 #22 nuts

### Brushless motor with long-lasting life

Compared with brush motor, it features low noise, long life, high efficiency, free from changing brush, and lower fault ratio

### Steel alloy tenon shaft

Aluminum head features fast heat dissipation, long-lasting durability and aging resistance

| Voltage:          | 220V/50Hz       |
| Power:            | 850W            |
| No-load Speed :   | 800rpm          |
| Impact Frequency: | 4750bpm         |
| Applicable Bits:  | 4-26mm          |
| Product Features: | Clutch function |
| Product Weight :  | 6kg             |
| Pack Qty:         | 1/-/4           |
| Outer PK. Size:   | 53x40.5x33cm    |

### Features :

- > Safe clutch for safety protection
- > The trip can be used for more than 10000 times for extended life of clutch
- > Fluoro rubber sealing ring for wear resistance and corrosion resistance and not less oil leakage

# Rotary Hammer DL6332

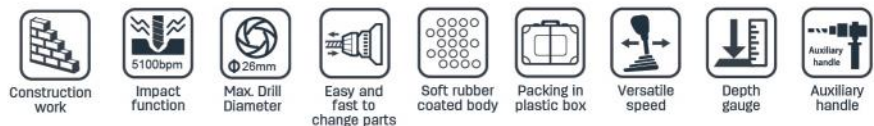

## 850W

# Dust Collector DL603010

## 3V

**Auto dust collection**

Reduce pollution

**Extend service life**

Dust proof switch

**Compact and portable**

Body

1. Open the rear cover

4. Drill without dust

2. Press the power switch

3. Attach it to the wall

## Specification

| Item #                | DL603010       |
|-----------------------|----------------|
| Name                  | Dust Collector |
| Specification         | 3/8"           |
| Voltage               | 3V             |
| Battery Specification | 2 AA Battery   |
| Pack Qty              | 1/-/20         |
| Product Weight        | 190g           |
| Outer PK. Size        | 37.5x19x34cm   |

- Note: please clear the collector regularly to avoid dust spillover
- Features: reduce dust pollution, eliminate the hustle of dust cleaning after drilling work
- Applications: home decoration, pendant installation, recommended drilling scope:  $\Phi$  4 mm-8 mm

# Demolition Breaker DL6327

## 1250W

**Innovative drill chuck**

Secure and durable

**200°C**

Heat resistant Copper motor

**Fluororubber material**

Piston sealing ring

## Jig Saw DL6446 600W

### Adjustable speed

Application depending on materials

### Dust port

Meet requirement of dust-free environment

### 4 lifting positions for flexible cutting

**Cutting method :** straight, diagonal, angled  
**Suitable for :** cutting wood, plastic, steel, etc  
**Cutting Capability :** Wood 65mm , Plastic 10mm,  
 Steel 6mm

### Fast-assembly chuck

Easy to change saw webs

### 45 degrees for angled cuts

High angle accuracy

## 1450W

Slotting of wall

Construction works

Timber works

Marble/tile cutting

Cutting wheel diameter

No-load speed

### Specification

Item # DL6352

Voltage: 220V

Rated power: 1450W

Unloaded revolving speed: 12800rpm

Spindle thread: M7 left-hand thread

Blade diameter: 110mm

Net weight: 3.7KG

Packing: 1/-/6

Packing size: 69x25x38cm

EDL-YJ185-EI

## CIRCULAR SAW

1300W

INPUT POWER

High load motor

Adjustable 0-45° cutting

Lock-off switch

With spin spinner

5300RPM

45° Cutting capacity 45 degree 42mm

90° Cutting capacity 90 degree 61mm

With 24T TCT blade

### Specification

Item# EDL-YJ185-EI

Voltage: 220-240V~50/60Hz

Blade Spec.: 7-1/4" 24T

Input Power: 1300W

No-load Speed: 5300rpm

Disc Diameter: 185x20mm

Angle Range: 0-45°

Cutting Capacity: 45° : 42mm

90° : 61mm

Spindle Thread: M8

Pack Qty: 1/-/4

Outer PK. Size: 50.5\*34.5\*40cm

# Tap and Die Set

- Wrench holder is made of Zn alloy
- Screw taps and dies are made of high-quality carbon steel with 56-61 HRC hardness

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL0027 | 12PCS | 1/-/24   |

Including:  
5 Screw Tap: M6x1.0, M7x1.0, M8x1.25, M10x1.5, M12x1.75  
5 Round Die: M6x1.0, M7x1.0, M8x1.25, M10x1.5, M12x1.75  
1 Screw Tap Wrench: M3-M12  
1 Round Die Wrench: M25

# Tap and Die Set

- Wrench holder is made of Zn alloy
- Screw taps and dies are made of high-quality carbon steel with 56-61 HRC hardness

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL0028 | 20PCS | 1/-/24   |

Including:  
9 Screw Tap: M3x0.5, M4x0.7, M5x0.8, M6x1.0, M7x1.0, M8x1.25, M9x1.25, M10x1.5, M12x1.75  
9 Round Die: M3x0.5, M4x0.7, M5x0.8, M6x1.0, M7x1.0, M8x1.25, M9x1.25, M10x1.5, M12x1.75  
1 Screw Tap Wrench: M3-M12  
1 Round Die Wrench: M25

# Tap and Die Set

- Wrench holder is made of Zn alloy
- Screw taps and dies are made of high-quality carbon steel with 56-61 HRC hardness

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL0029 | 39PCS | 1/-/10   |

Including: 16 Screw Tap: M3x0.5, M4x0.7, M5x0.8, M6x0.75, M7x0.75, M8x1.0, M10x1.25, M12x1.5, M13x0.5, M14x0.75, M15x0.9, M16x1.0, M17x1.0, M18x1.25, M19x1.5, M20x1.75  
16 Round Die: M3x0.5, M4x0.7, M5x0.8, M6x0.75, M7x0.75, M8x1.0, M10x1.25, M12x1.5, M13x0.5, M14x0.75, M15x0.9, M16x1.0, M17x1.0, M18x1.25, M19x1.5, M20x1.75  
1 Screw Tap Wrench: M3-M12  
2 T Handle Screw Tap Wrench: 1/4" 1 Thread pitch gauge 1 NPT Screw Tap: 1/8-27 1 Screwdriver 1 NPT Round Die: 1/8-27

## Hammer Drill Bit With Square Handle

- 40Cr-V head and YG8C body
- High-temperature quench for high hardness and abrasion resistance
- Sand blasted surface for better look and rust resistance

## Glass And Tile Drill Sets

- YG8 Alloy Drill Bits
- Precise drilling
- Anti-skid triangle handle
- Suitable for drilling with various materials

| Item #    | Spec.                                                            | Pack Qty      |

| DL-B6005T | 6mm*103(5 Pieces/Set)                                            | 1(5pcs)/18/18 |
| DL-B5005T | 5mm*90(5 Pieces/Set)                                             | 1(5pcs)/18/18 |
| DL-B8005T | 8mm*104(5 Pieces/Set)                                            | 1(5pcs)/10/10 |
| DL-B6106T | 6mm*103, 8mm*104, 10mm*115 (Each 2 Pieces/Set)                   | 1(5pcs)/10/10 |
| DL-B6124T | 6mm*103, 8mm*104, 10mm*115, 12mm*125 (Each 1 Pieces/Set)         | 1(5pcs)/10/10 |
| DL-B5125T | 5mm*90, 6mm*103, 8mm*104, 10mm*115, 12mm*125 (Each 1 Pieces/Set) | 1(5pcs)/10/10 |

## Screw Extractor Set

- 1#-3-6mm
- 2#-6-8mm
- 3#-8-11mm
- 4#-11-14mm
- 5#-14-18mm
- 6#-18-25mm

- High-quality alloy steel with overall heat treated for higher abrasion resistance and longer lifetime
- Quick removal of broken screws or bolts

| Item #        | Spec.          | Pack Qty |
|---------------|----------------|----------|
| DL0024 (4pcs) | M3-M14 (1#-4#) | 1/12/96  |

## Cutting Discs

- Sharp blade for cutting alloy steel, stainless steel
- Black abrasion-resistant blade for long durability
- Selected white corundum for easy cutting
- Thickened steel rim for holding strength and crack resistance

| Item #     | ID(mm) | OD(mm) | Product Color | Pack Qty     |
|------------|--------|--------|---------------|--------------|
| DL1071216L | 16mm   | 107mm  | Green         | 1/25/1000    |

## Grinding Discs

- Heat-resisting substrate for higher abrasion resistance, longer durability and high utilization ratio
- High quality emery with fiber glass for excellent cutting performance
- Thickened steel rim for holding strength and crack resistance
- Double layers of fiber mesh for high tensile strength and security

| Item #     | ID(mm) | OD(mm) | Product Color | Pack Qty   |
|------------|--------|--------|---------------|------------|
| DL1006016H | 16mm   | 100mm  | Black         | 1/5/25/200 |
| DL1806022H | 22mm   | 180mm  | Black         | 1/5/30/60  |

## Asphalt Cutting Blade

- High quality alloyed blade and 65Mn steel substrate for high hardness, impact and abrasion resistance
- Advanced hot pressing technology ensures for high strength
- According to the different cutting objects, please choose the corresponding cutting blade

| Item #   | ID(mm) | OD(mm) | Pack Qty |
|----------|--------|--------|----------|
| DL660400 | 50mm   | 418mm  | 1/-/10   |
| DL660500 | 50mm   | 518mm  | 1/-/5    |

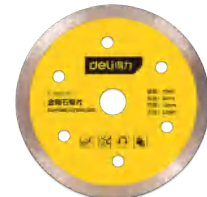

## Diamond Cutting Blade

- High quality alloyed blade and 65Mn steel substrate for high hardness, impact and abrasion resistance
- Advanced hot pressing technology ensures for high strength
- According to the different cutting objects, please choose the corresponding cutting blade

| Item #   | ID(mm) | OD(mm) | Pack Qty |
|----------|--------|--------|----------|
| DL661075 | 20mm   | 107mm  | 1/10/200 |
| DL661143 | 20mm   | 114mm  | 1/10/200 |
| DL661144 | 20mm   | 114mm  | 1/10/200 |
| DL661145 | 20mm   | 114mm  | 1/10/200 |

## Diamond Cutting Blade

- Long cutting life
- High density, continuous cutting
- Sharp, easy to cut

| Item #     | ID(mm) | OD(mm) | Pack Qty |
|------------|--------|--------|----------|
| DL685076-1 | 10mm   | 75mm   | 1/20/120 |

## Resin Cutting Discs

- High-quality emery for high abrasive resistance and easy cutting
- Thickened steel rim resists cracking
- Double layers of fiber web improves tensile strength and security

| Item #  | ID(mm) | OD(mm) | Pack Qty |
|---------|--------|--------|----------|
| DL66001 | 16mm   | 100mm  | 1/75/600 |

## Cutting Discs

- High-quality emery for high abrasion resistance and easy cutting
- Rust removal with high polish efficiency, good heat dispersion to avoid damage of workpieces
- Thickened design for polish for various metals, wood, and marbles at high speed

| Item #  | ID(mm) | OD(mm) | Pack Qty |
|---------|--------|--------|----------|
| DL66021 | 16mm   | 100mm  | 1/25/300 |

## Metal Cutting Discs

- Long cutting life
- High density, continuous cutting
- Sharp, easy to cut

| Item #     | ID(mm) | OD(mm) | Pack Qty |
|------------|--------|--------|----------|
| DL685076-2 | 10mm   | 76mm   | 1/20/120 |

A hand is shown using a black and silver air pump to inflate a tire. The pump is connected to the tire's valve stem. The tire is a BMW wheel with a silver rim. The background is a dark, blurred car body.

## 123Pcs Auto Repair Kits

### DL7461

Pack Qty:1/-/1

#### Tool Kit includes:

- 10 x 6.3mm hex socket (4,5,6,7,8,9,10,11,12,13mm)
- 4 x 6.3mm long hex socket (8,9,10,12mm)
- 11 x 10mm hex socket (9,10,11,12,13,14,15,16,17,18,19mm)
- 4 x 10mm long hex socket (13,14,15,17mm)
- 8 x 10mm torx socket (E8,10,11,12,14,16,18,20)
- 7 x 12.5mm hex socket (20,21,22,24,27,30,32mm)
- 3 x universal Joint (6,3,10,12.5mm)
- 2 x 10mm 3-in-1 Joint (10mm square hole x 12.5mm square head) (10mm square hole x 6.3mm square head)
- 1 x 6.3mm spinner handle
- 3 x quick release ratchet wrench (6,3,10,12.5mm)
- 2 x 10mm Phillips screwdriver socket (#1, #2)
- 2 x 10mm slotted screwdriver socket (5.5, 6.5mm)
- 7 x 10mm torx screwdriver socket (T20,T30,T40,T45,T50,T55,T60)
- 4 x 10mm hex screwdriver socket (H3,H4,H5,H6)
- 2 x 10mm Pozidriv screwdriver socket (#1, #2)
- 2 x 12.5mm spark plug socket (16,21mm)
- 1 x 10mm spark plug socket (14mm)
- 1 x 6.3mm extension rod (3",4")
- 2 x 10mm extension rod (3",6")
- 2 x 12.5mm extension rod (5",10")
- 1 x 12.5mm socket wrench F bar
- 1 x Phillips screwdriver PH2x100
- 1 x slotted screwdriver 6x100
- 1 x filter wrench
- 1 x 6.3mm bit adapter
- Pozidriv :PZ1,PZ2, torx : T10,T15,T20,T25,T27,T30,T40, hex :H3,H4,H5,H6)
- 1 x automotive test pen
- 1-piece long hex wrench set (1.5,2.2,2.5,3,4,5,6,8,10mm)
- 1 x 12.5mm cylinder head bolt socket T52x100mm
- 11 x 2-in-1 wrench (8,9,10,11,12,13,14,16,17,18,19mm)
- 2 x 9-piece bit set (slotted: FD4,FD5,FD6.5,Phillips :PH1,PH2)

## Plastic Oil Gun

- Engineering plastic body with plastic tube and brass tip, easy for operation in various angles and spaces
- Press-in handle and special body structure provide operation comfort and smooth oil output
- Less leakage

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL2402 | 250ml | 1/10/120 |

## Plastic Oli Gun

- Comfortable pinch, smooth press.
- Soft tube with plastic mouth, stable oil output
- High precision filter to avoid oil leakage
- Flexible hose for use in different angles

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL468250 | 250ml | 1/10/120 |

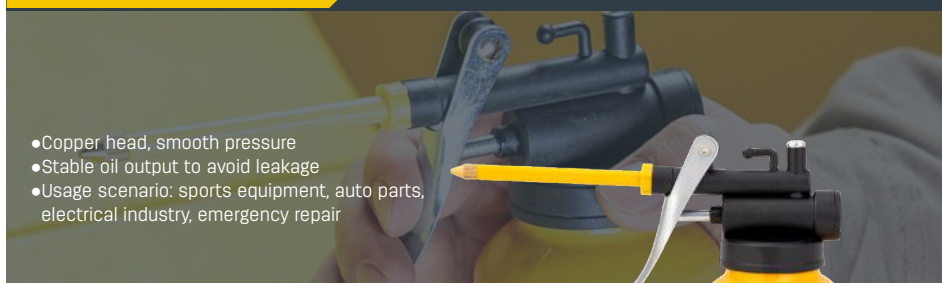

## Metal Oli Gun

- Comfortable pinch, smooth press.
- Soft tube with plastic mouth, stable oil output
- High precision filter to avoid oil leakage
- Flexible hose for use in different angles

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL468500 | 500ml | 1/10/60  |

## Oil Gun

- Copper head, smooth pressure
- Stable oil output to avoid leakage
- Usage scenario: sports equipment, auto parts, electrical industry, emergency repair

| Item #    | Spec. | Pack Qty |
|-----------|-------|----------|
| EDL2401   | 180ml | 1/10/120 |
| EDL468300 | 300ml | 1/10/120 |
| EDL2403   | 350ml | 1/10/100 |
| EDL2404   | 500ml | 1/10/100 |

## Cross Wrench Sets

Cr-V

- Chrome surface for rust proof
- Coated handle to avoid slip

| Item #   | Spec.           | Pack Qty |
|----------|-----------------|----------|
| EDL4416K | 17/19mm+21/23mm | 1/1/12   |

## T-handle Wrench

Cr-V

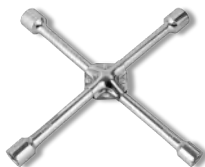

- Made of high-quality Cr-V steel, chrome-coated surface
- Multiple sizes for different working scenarios

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL08   | 8mm   | 1/20/80  |
| DL10   | 10mm  | 1/20/80  |
| DL12   | 12mm  | 1/20/80  |
| DL13   | 13mm  | 1/20/80  |
| DL14   | 14mm  | 1/20/80  |
| DL16   | 16mm  | 1/20/80  |
| DL17   | 17mm  | 1/20/80  |
| DL19   | 19mm  | 1/20/80  |

## Cross Wrench

Cr-V

- High-quality 40 Cr-V steel, highly processed, galvanized surface
- Four-way design provides higher torque for operation

| Item # | Spec.         | Pack Qty |
|--------|---------------|----------|
| DL4414 | 17x19x21x23mm | 1/-/20   |
| DL4416 | 17x19x21x23mm | 1/-/20   |

## Three-way Y-type Wrench

Cr-V

- High-quality 40 Cr-V steel, highly processed, galvanized surface
- Four-way design provides higher torque for operation

| Item #   | Spec.      | Pack Qty |
|----------|------------|----------|
| DL8910   | 8x9x10mm   | 1/20/80  |
| DL81012  | 8x10x12mm  | 1/20/80  |
| DL101214 | 10x12x14mm | 1/20/80  |
| DL121314 | 12x13x14mm | 1/20/80  |
| DL121417 | 12x14x17mm | 1/20/80  |
| DL141719 | 14x17x19mm | 1/20/80  |

## Oil Filter Wrench

Cr-V

- Cr-V steel with excellent performance
- Rubber coated handle for comfortable handle

| Item # | Spec.   | Pack Qty |
|--------|---------|----------|
| DL7408 | 55-75mm | 1/6/60   |
| DL7410 | 75-95mm | 1/6/60   |

## Oil Filter Wrench

Cr-V

- Cr-V steel with excellent performance
- Rubber coated handle for comfortable handle

| Item #  | Spec.    | Pack Qty |
|---------|----------|----------|
| DL7400B | 54-116mm | 1/-/50   |

## Tire Pressure Gauge

- Solid and durable aluminum alloy handle, professional double unit dial plate, high-quality rubber cover
- Reading range: 0-16Bar
- Used to measure tire pressure of cars, motorbikes and bicycles

| Item # | Spec.           | Pack Qty |
|--------|-----------------|----------|
| DL8530 | 0-16Bar(220Psi) | 1/10/50  |

## Digital Tire Pressure Gauge

- Built-in high-precision sensor ensures accurate reading
- Pressure measure, compensation and relief combined into one product
- Nylon cushion cover resists shock

| Item # | Spec.             | Pack Qty |
|--------|-------------------|----------|
| DL7611 | 0.5-10Bar(145Psi) | 1/-/24   |

## PU Hoses

- High-quality PU tube resists abrasion and aging
- Extension tube with flat and smooth surface, less fluid loss

| Item # | Spec. | Pack Qty |
|--------|-------|----------|
| DL7632 | 6mm   | 1/-/100  |
| DL7633 | 9mm   | 1/-/60   |

## Foldable Bucket

- Groove bottom for pouring water with ease
- Foldable design is easy for storage and carrying and saves space
- Resists over 1,500 times of folding and unfolding
- Application: car wash, storage, outdoors, etc

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL882010 | 10L   | 1/-/24   |

## Air Pump

| Item #   | Spec.       | Pack Qty |
|----------|-------------|----------|
| DL880006 | 53*53*370mm | 1/10/40  |

## Air Pump

| Item #   | Spec.    | Pack Qty |
|----------|----------|----------|
| DL880004 | 32*360mm | 1/10/20  |

## Tire Gauge

- Large screen display
- Suitable for tire pressure and tire pattern
- Measuring Unit: psi, bar, kgf/cm<sup>2</sup>, kpa

| Item #   | Spec.                 | Pack Qty |
|----------|-----------------------|----------|
| DL886100 | 5-100psi (0.2-6.9bar) | 1/10/100 |

Good quality makes good products

## Automotive household products

## Tire Gauge

- Large screen display
- Mini shape for easy carry
- Measuring Unit: psi, bar, kgf/cm<sup>2</sup>, kpa

| Item #   | Spec.                 | Pack Qty |
|----------|-----------------------|----------|
| DL886101 | 5-100psi (0.2-6.9bar) | 1/10/100 |

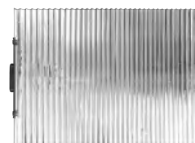

## Car Sunshade

- No need to install, Telescopic umbrella, convenient storage
- Titanium silver coating and composite film, Shading and heat insulation
- Solid rod for long service life
- Ten bones for firm support
- Frosted handle to prevent skidding

| Item #   | Spec.    | Pack Qty |
|----------|----------|----------|
| DL886001 | 65*125cm | 1/6/24   |
| DL886002 | 79*145cm | 1/6/24   |

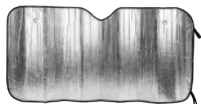

## Car Sunshade

- Portable installation, quick storage
- F Portable installation, Folding design, free stretching, quick storage
- Folding design, Shading and heat insulation
- Solid support for long service life, Multi-point fixation, not easy to fall off

| Item #   | Spec. | Pack Qty |
|----------|-------|----------|
| DL886003 | 65cm  | 1/6/24   |
| DL886004 | 70cm  | 1/6/24   |

## Car Sunshade

- Thicken design, scratch resistance
- Easy installation and convenient storage
- Shading and heat insulation

| Item #   | Spec.    | Pack Qty |
|----------|----------|----------|
| DL886005 | 70*140cm | 1/-/24   |

## Folding Storage Box

- Grid design, novel appearance
- Creative folding, simple storage
- Environment-friendly material, safe and healthy
- Anti-breaking handle, durable toasting
- Non-skid bottom, firm and reliable

| Item #   | Spec.                | Pack Qty |
|----------|----------------------|----------|
| DL884055 | 55L (55*35.5*29.5cm) | 1/-/6    |

## Folding Storage Box

- Creative folding/ Grid design/ Environment-friendly material
- Anti-breaking handle, durable toasting/ Non-skid bottom, firm and reliable

| Item #   | Spec.              | Pack Qty |
|----------|--------------------|----------|
| DL884135 | 35L (47*30*24cm)   | 1/-/6    |
| DL884160 | 60L (59*35.5*29cm) | 1/-/4    |

### Double Layer folding Storage Box

- Convenient folding and tidy storage
- Double layer structure, layered storage
- Reinforced design, strong and fall resistant
- Anti-breaking handle, durable toasting
- Non-skid bottom, firm and reliable

| Item #   | Spec.                | Pack Qty |
|----------|----------------------|----------|
| DL884245 | 45L (50*30*29cm)     | 1/-/4    |
| DL884275 | 75L (61.5*36*35.5cm) | 1/-/1    |

### Pressure Washer Spray Gun

- Wide variety of applications Used to car wash and gardening irrigation
- Zinc ally gun with coated handle for rust resistance and durability
- Sealing ring inside prevents leakage
- 8 spray shapes for flexible adjustment.
- 8 m spraying range when connected to household water supply
- Clip-on switch handle saves labor

| Item # | Accessories list                                                                   | Pack Qty |
|--------|------------------------------------------------------------------------------------|----------|
| DL8055 | 1/2 water joint*2, 1/2 multi-function joint, 1/2 3/4 standard joints, 20m PVC hose | 1/-/1    |

### Pressure Washer Spray Gun Kit

- Wide applications like car wash and gardening irrigation
- Electroplated metal gun with cooper spray head and joint, anti-rust and durable
- Sealing ring inside prevents leakage
- Plastic coated spray head and rubber cushion handle fit your palm comfortably
- High water pressure allows for 6-8 m spraying range when connected to household water supply
- Water output can be adjusted freely Clip-on switch handle saves labor

| Item # | Accessories list                                                    | Pack Qty |
|--------|---------------------------------------------------------------------|----------|
| DL8072 | 1/2 water joint*2, 1/2 multi-function joint, 1/2 3/4 standard joint | 1/-/48   |

### Pressure Washer Spray Gun Kit

- Wide applications like car wash and gardening irrigation
- Electroplated metal gun with cooper spray head and joint, anti-rust and durable
- Sealing ring inside prevents leakage
- Plastic coated spray head and rubber cushion handle fit your palm comfortably
- High water pressure allows for 6-8 m spraying range when connected to household water supply
- Water output can be adjusted freely
- Clip-on switch handle saves labor

| Item # | Accessories list                                                                  | Pack Qty |
|--------|-----------------------------------------------------------------------------------|----------|
| DL8073 | 1/2 water joint*2, 1/2 multi-function joint, 1/2 3/4 standard joint, 20m PVC hose | 1/-/1    |

### Pressure Washer Spray Gun Kit

- Wide applications like car wash and gardening irrigation
- Electroplated metal gun with cooper spray head and joint, anti-rust and durable
- Coated handle for a comfortable grip
- High water pressure and 16 cm stainless steel pressure rod allow for 8-10 m spraying range when connected to household water supply
- Water output can be adjusted freely
- Comes with 20-meter nose for long-range operation
- Clip-on switch handle saves labor

| Item # | Accessories list                                                                  | Pack Qty |
|--------|-----------------------------------------------------------------------------------|----------|
| DL8074 | 1/2 water joint*2, 1/2 multi-function joint, 1/2 3/4 standard joint, 20m PVC hose | 1/-/1    |

### Pressure Washer Spray Gun Kit

- Variable speed, flexible adjustment of spray shape
- Front press-in structure, one button start and one button lock ensure continuous effluent
- Sealing ring inside prevents leakage
- Rubber coated spray head and antiskid handle fit your palm comfortably
- 8m spraying range when connected to household water supply
- Water output can be adjusted freely

| Item # | Accessories list                            | Pack Qty |
|--------|---------------------------------------------|----------|
| DL8083 | 1/2 water joint*2, 1/2 multi-function joint | 1/-/48   |

### Pressure Washer Spray Gun Kit

- Wide applications like car wash and gardening irrigation
- Electroplated metal gun with cooper spray head and joint, anti-rust and durable
- Sealing ring inside prevents leakage
- Coated handle for a comfortable grip
- High water pressure and 16 cm stainless steel pressure rod allow for 8-10 m spraying range when connected to household water supply
- Water output can be adjusted freely
- Clip-on switch handle saves labor

| Item # | Accessories list                                                    | Pack Qty |

| DL8072-30 | 30m   | 2                     | 1/-/6    |

### Air Compressor Pump (Single Cylinder)

- Double (single) 30 mm-diameter metal cylinder with permanent magnet provides powerful pump
- Cigar lighter is protected by a fuse to avoid overload and ensure safe use
- Double cylinders provide about 30L/min air flow, works continuously for up to 20 minutes
- LED lighting for use at night or emergency; powered by cigar lighter or storage battery, easy to use
- Suitable for wide applications like sedan, SUV, van, pickup, minibus and other 12V vehicles as well as motorbike, bicycle, balls and air cushion

| Item # | Spec.   | Power | Pack Qty |
|--------|---------|-------|----------|
| DL8058 | 30L/min | 100W  | 1/-/8    |

## Air Compressor Pump (Dual Cylinder)

- Double (Double) 30 mm-diameter metal cylinder with permanent magnet provides powerful pump
- Cigar lighter is protected by a fuse to avoid overload and ensure safe use
- Double cylinders provide about 36L/min air flow, and pumping from 0 bar to 2 bar takes only 2.5 minutes
- Double-cylinder model works continuously for up to 20 minutes
- LED lighting for use at night or emergency; powered by cigar lighter or storage battery; easy to use
- Suitable for wide applications like sedan, SUV, van, pickup, minibus and other 12V vehicles as well as motorbike, bicycle, balls and air cushion

| Item # | Spec.   | Power | Pack Qty |
|--------|---------|-------|----------|
| DL8059 | 36L/min | 160W  | 1/-/6    |

## Digital Display Air Compressor Pump

- Blue light LCD screen for digital display with less error
- Double 30mm-diameter metal cylinder with permanent magnet provides powerful pump
- Cigar lighter is protected by a fuse to avoid overload and ensure safe use
- Preset pressure enables auto pump after starting by pressing one button
- Air flow is around 36L/min, and pumping from 0 bar to 2 bar takes only 2.5 minutes.
- Doublecylinder model works continuously for up to 20 minutes
- LED lighting for use at night or emergency; powered by cigar lighter or storage battery; easy to use
- Suitable for wide applications like sedan, SUV, van, pickup, minibus and other 12V vehicles as well as motorbike, bicycle, balls and air cushion

| Item # | Spec.   | Power | Pack Qty |
|--------|---------|-------|----------|
| DL8060 | 36L/min | 160W  | 1/-/6    |

## Handheld Air Compressor Pump

2000mAh

- Powered by 2000 mAh Li-battery, free from the hustle of plug-in power supply and the worry of blowing fuse
- Preset pressure enables auto pump after starting by pressing one button
- High speed running motor provides about 18 L/min air flow and fast pump
- Frameless backlit digital screen displays values, battery status and units with less error
- LED lighting for use at night
- 12 V power cord connects to power supply for emergency
- Compact design is easy for carrying and storage; rotatable handle for support and portable applications

| Item # | Spec.   | Power | Pack Qty |
|--------|---------|-------|----------|
| DL8071 | 18L/min | 50W   | 1/-/12   |

## Vehicle-mounted Air Compressor Pump

DL8065

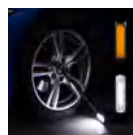

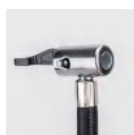

| Item # | Spec.   | Power | Pack Qty |
|--------|---------|-------|----------|
| DL8065 | 28L/min | 100W  | 1/-/20   |

- Blue light LCD screen for digital display with less error
- Cigar lighter is protected by a fuse to avoid overload and ensure safe use
- Preset pressure enables auto pump after starting by pressing one button
- Single metal cylinder provides nominal air flow of 28L/min
- LED lighting for use at night, comes with warning light, powered by cigar lighter or storage battery; easy to use
- Suitable for wide applications like sedan, SUV, van, pickup, minibus and other 12V vehicles as well as motorbike, bicycle, balls and air cushion

Wide range of applications...

### Digital Dual-cylinder Air Compressor Pump

| Item #    | Spec.   | Power | Pack Qty |
|-----------|---------|-------|----------|
| DL880250B | 22L/min | 90W   | 1/-/12   |
| DL880250A | 22L/min | 90W   | 1/-/12   |

### Inflatable pumps(Black)

- Digital display dial, blue light liquid crystal, intuitive display
- Preset tire pressure, automatic charging and stopping, easy to use
- Cigarette lighter, easy to operate
- Overload power off protection, including fuse, safe use

| Item #    | Spec.   | Power | Pack Qty |
|-----------|---------|-------|----------|
| DL880180B | 20L/min | 75W   | 1/-/12   |

### Cordless Inflatable Pumps

4500mAh

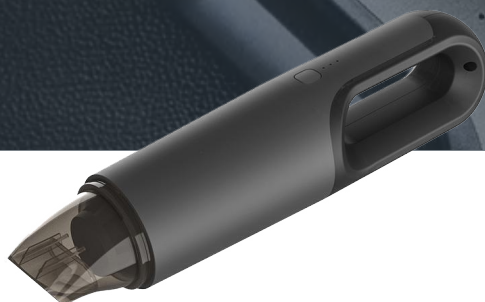

- Digital display dial, white backlight, intuitive display
- Preset tire pressure, automatic charging and stopping, easy to use
- 4500mAh Lithium battery for convenient operation

| Item #   | Spec.   | Power | Pack Qty |
|----------|---------|-------|----------|
| DL880181 | 18L/min | 70W   | 1/-/12   |

### Cordless Vacuum Cleaner

DL97984

- Powered by 2000mAh Li-battery for 15min working hours
- 4200Pa suction force, 35000rpm motor
- Small size allows for one-hand operation and easy carrying
- Clean room or vehicle with ease, comes with washable Hypalon filter screen
- Equipped with straight and brush suction nozzle for cleaning corners

2000mAh

| Item #  | Spec.  | Power | Pack Qty |
|---------|--------|-------|----------|
| DL97984 | 4200pa | 70W   | 1/-/12   |

### Cordless Vacuum Cleaner

2000mAh

- Touch-sensitive switch for easy operation
- Cyclone suction removes dust and ash fast
- Washable HEPA filter screen for repeated use
- Equipped with straight and brush suction nozzle and soft hose, cleaning corners with ease
- Powered by 2000mAh Li-battery for 15-25min working time

| Item # | Spec.  | Power | Pack Qty |
|--------|--------|-------|----------|
| DL8080 | 4000pa | 55W   | 1/-/20   |

### Vacuum Cleaner

DC12V

- Cyclone suction for stable output up to more than 7500Pa
- Cigarette lighter power supply, built-in fuse
- HEPA filter screen for dry and wet dual use, cleanable and recyclable
- Small and light in size for easy storage in the car
- Included a variety of accessories, such as suction nozzle, brush, easy to clean corners
- Multi-functional applications
- 4.5m extended power cord for cleaning everywhere in the car

| Item #   | Spec.  | Power | Pack Qty |
|----------|--------|-------|----------|
| DL881280 | 7500Pa | 120W  | 1/-/12   |

### Cordless Vacuum Cleaner

2500mAh

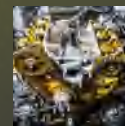

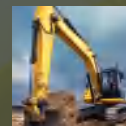

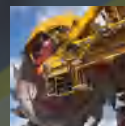

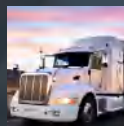

- Cyclone suction for stable output up to more than 7500Pa
- Lithium battery power display, easy to use
- Used in car or home
- Cordless and handheld design
- HEPA filter screen for dry and wet dual use, cleanable and recyclable
- Large capacity 2500mAh battery for more than 15 mins under full charge
- Small and light in size for easy storage in the car
- Included a variety of accessories, such as suction nozzle, brush, easy to clean corners

| Item #   | Spec.  | Power | Pack Qty |
|----------|--------|-------|----------|
| DL881070 | 5500Pa | 70W   | 1/-/12   |

## Grease Gun

### DL2602

- Unique inner seal design enables high-pressure grease injection
- Press-in vent valve ensures smooth oil output
- Rubber coated handle for comfortable grip

## Blow Gun

- Gun tip is made of A3 steel, solid and durable
- Brass joint is not easy to get rusty and extends service life. Joint size is 1/4"NPT
- Strong blowing removes dust effectively; extended gun tip is suitable for cleaning works in narrow and deep space
- Wear eye shield, glove and other body armors during operation

| Item #  | Spec. | Length | Working Pressure | Pack Qty |
|---------|-------|--------|------------------|----------|
| DL-XQ01 | 230mm | 100mm  | 5.0-8.0kgf/m³    | 1/12/120 |

## Blow Gun

- Gun tip is made of A3 steel, solid and durable
- Brass joint is not easy to get rusty and extends service life. Joint size is 1/4"NPT
- Strong blowing removes dust effectively; extended gun tip is suitable for cleaning works in narrow and deep space
- Wear eye shield, glove and other body armors during operation

| DL-XQ03 | 230mm | 100mm  | 5.0-8.0kgf/m³    | 1/25/100 |

## Vertical Jack

- Precision forging gives it lasting durability, tight structure and excellent air tightness
- Suitable for maintenance of railway cars, support of mining and building machineries, ascending and descending of weights

| Item #  | Spec. | Min Height (mm) | Lifting Height (mm) | Pack Qty |
|---------|-------|-----------------|---------------------|----------|
| DL-B5T  | 5T    | 250mm           | 130mm               | 1/-/4    |

| DL-B20T | 20T   | 325mm           | 180mm               | 1/-/3    |
| DL-B32T | 32T   | 395mm           | 200mm               | 1/-/2    |
| DL-B50T | 50T   | 452mm           | 250mm               | 1/-/1    |

## Hydraulic Vertical Jack

- Screw rod is made of high-quality specialty steel for lasting durability; antiskid design and intensified cast iron base ensures safe and reliable operation
- Tight overall structure ensures high air tightness and easy operation
- Height-adjustable head for easy of use

| Item #  | Spec. | Min Height (mm) | Lifting Height (mm) | Pack Qty |
|---------|-------|-----------------|---------------------|----------|
| DL-BC2T | 2T    | 80mm            | 148mm               | 1/-/10   |

## Hydraulic Puller

- The hydraulic cylinder is made from one-piece steel block with high strength and security
- Pressure relief valve inside the cylinder prevents overload
- Switchable between 2 jaws and 3 jaws depending on various working conditions
- 360° rotatable and detachable handle enables operation in narrow space

| Item #  | Spec.     | Pulling Capacity | Pack Qty |
|---------|-----------|------------------|----------|
| DL-ZL5  | 50-200mm  | 5T               | 1/-/3    |
| DL-ZL10 | 50-250mm  | 10T              | 1/-/2    |

## OUTDOOR EQUIPMENT

## Double Sidelight Hand Lamp

- IP67 protect grade, long service life
- High-performance battery, can work continuously for 14 hours under high light mode
- Multiple modes provide different lighting needs, total have 10 modes

| Item #   | Spec.    | Battery Specification     | Runtime              | Pack Qty |
|----------|----------|---------------------------|----------------------|----------|
| DL551205 | 5W/360lm | 4500mAh 18650×3 batteries | 14h(High light mode) | 1/-/30   |

## Hand Lamp

- Tail downlight, near-light lighting
- Rear suspension design, suitable for camping use
- USB charging interface, convenient and fast
- Presents strap cord for easy to carry

| Item #    | Spec.    | Battery Specification | Runtime | Pack Qty |
|-----------|----------|-----------------------|---------|----------|
| DL551300A | 5W/300lm | 3600mAh               | 10h     | 1/-/30   |

## Hand Lamp

- USB charging interface, convenient and fast
- Multiple modes provide different lighting needs
- Intelligent power display function to monitor the power use in real time
- Glass lens, with a higher light transmittance

| Item #    | Spec.    | Battery Specification | Runtime | Pack Qty |
|-----------|----------|-----------------------|---------|----------|
| DL551300B | 4W/300lm | 4500mAh               | 12h     | 1/-/30   |

## Focusing Flashlight

- High-performance battery, can work continuously for 2-3h hours under high light mode
- Multiple modes provide different lighting needs
- Tensile Focus: See far and near

| Item #   | Spec.     | Battery Specification | Runtime               | Pack Qty |
|----------|-----------|-----------------------|-----------------------|----------|
| DL551115 | 15W/450lm | 2000mAh               | 2-3h(High light mode) | 1/20/80  |

## Mini Flashlight

- High-performance battery, can work continuously for 2h hours under high light mode
- USB charging interface, convenient and fast
- Multiple modes provide different lighting needs, High mode, Low mode, Flashing mode

| Item #   | Spec.    | Battery Specification | Runtime | Pack Qty |
|----------|----------|-----------------------|---------|----------|
| DL551002 | 3W/100lm | 400mAh                | 2h      | 1/20/80  |

## Flashlight

### IPX4

- IPX4 protect grade, long service life inspection
- High-performance battery, can work continuously for 7h hours under high light mode
- Multiple modes provide different lighting needs, High mode, Medium mode, Low mode, Flashing mode, SOS

| Item #   | Spec.      | Battery Specification | Runtime | Pack Qty |
|----------|------------|-----------------------|---------|----------|
| DL551020 | 18W/2000lm | 8100mAh               | 7h      | 1/-/30   |

## Red Laser Pointer

**3R**  
Class laser

- 3R class laser, soft and not dazzling
- USB direct charge, convenient and fast
- 4 kinds of entertainment headers and switch freely
- Multifunction: Anti-counterfeiting, Pet fungus detection, Banknote inspection, Infrared funny cat teasing

| Item #   | Spec.  | Battery Specification | Runtime | Pack Qty |
|----------|--------|-----------------------|---------|----------|
| DL552003 | ≤ 20mw | 170mAh                | 1h      | 1/12/48  |

## Red Laser Pointer

**3B**  
Class laser

- 3B class laser, clear and bright
- USB direct charge, convenient and fast
- Anti-skid body for grip comfort

| Item #   | Spec.  | Battery Specification | Runtime | Pack Qty |
|----------|--------|-----------------------|---------|----------|
| DL552004 | ≤ 20mw | 220mAh                | 1h      | 1/12/48  |

## Green Laser Pointer

**3B**  
Class laser

- 520NM green light, soft and not dazzling
- 5 entertainment heads, free to switch
- USB direct charge, convenient and fast
- Anti-skid body for grip comfort
- High power Class 3B laser, remote irradiation

| Item #   | Spec.   | Battery Specification | Runtime | Pack Qty |
|----------|---------|-----------------------|---------|----------|
| DL552005 | ≤ 100mw | 220mAh                | 1h      | 1/12/48  |

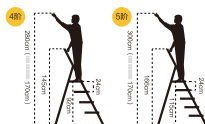

## Intelligent Sensor Headlights

- High-performance battery, can work continuously for 2-4h hours under high light mode
- Multiple modes provide different lighting needs, High mode, Low mode, Flash mode
- Quick installation Removing design, convenient and safe

| Item #   | Spec. | Battery Specification | Runtime | Pack Qty |
|----------|-------|-----------------------|---------|----------|
| DL563005 | 250lm | 2000mAh               | 4h      | 1/12/48  |

## Folding Ladder

- Booster pedal: stable and reliable
- Lightweight material: easy to carry
- GB standard, safe and reliable

| Item #   | Spec.  | Max. Load Weight | Pack Qty |
|----------|--------|------------------|----------|
| DL509204 | 4-step | 150kg            | 1/-/1    |
| DL509205 | 5-step | 150kg            | 1/-/1    |

## Folding Bucket

- Internal bile PEVA material
- Anti-splashing water splashing design
- Storage bag for easy to carry

| Item #   | Spec.        | Material       | Pack Qty |
|----------|--------------|----------------|----------|
| DL554101 | 30x20cm Blue | Polyester+PEVA | 1/12/96  |
| DL554102 | 30x20cm Grey | Polyester+PEVA | 1/12/96  |

## Folding Chair

- 600D Oxford cloth, good durability
- Fold easily, easy storage
- Suitable for fishing, children

| Item #   | Spec.      | Material          | Pack Qty |
|----------|------------|-------------------|----------|
| DL556101 | 37x37x60cm | 600D Oxford cloth | 1/-/12   |
| DL556102 | 46x46x80cm | 600D Oxford cloth | 1/-/12   |

## Folding Chair

- Nylon woven bag, good wear resistance
- Anti-skid foot cover, safe and considerate
- Strong and stable, with good load-bearing performance

| Item #   | Spec.                | Material     | Pack Qty |
|----------|----------------------|--------------|----------|
| DL556103 | 25*25*25cm (Small)   | Iron + Nylon | 1/-/12   |
| DL556104 | 30*25.5*30cm (Large) | Iron + Nylon | 1/-/12   |

## Folding Chair

- Nylon woven bag, good wear resistance
- Anti-skid foot cover, safe and considerate
- Strong and stable, with good load-bearing performance
- Backrest design, comfortable to sit

| Item #   | Spec.                   | Material     | Pack Qty |
|----------|-------------------------|--------------|----------|
| DL556105 | 34.5*29*70cm (Backrest) | Iron + Nylon | 1/-/8    |

## Picnic Pads

- Wear-resistant and waterproof base to effectively block moisture on the surface
- Thickened hand woven belt, not easy to deformation
- Hook and loop tape for easy storage

| Item #   | Spec.     | Material     | Pack Qty |
|----------|-----------|--------------|----------|
| DL556201 | 145x200cm | Oxford cloth | 1/-/12   |
| DL556202 | 195x200cm | Oxford cloth | 1/-/12   |

## Picnic Pads

- Back PEVA, blocks the moisture
- Skin-friendly fabric for soft and comfortable comfort
- Black cloth Bag package for easy to carry

| Item #   | Spec.     | Material     | Pack Qty |
|----------|-----------|--------------|----------|
| DL556203 | 195x200cm | Oxford cloth | 1/-/6    |

## Hammocks

- Anti-rollover bending wood, safe and comfortable
- Metal duck mouth, firm and durable

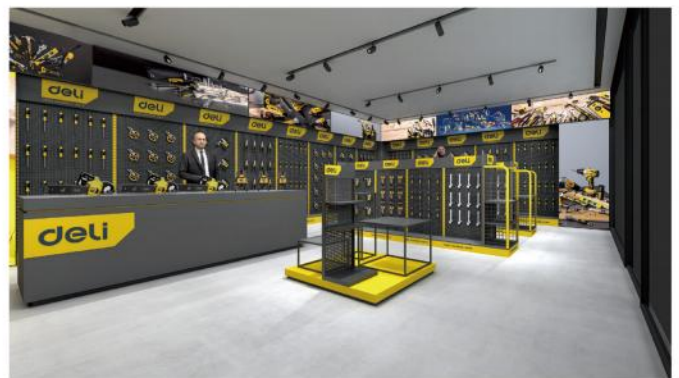

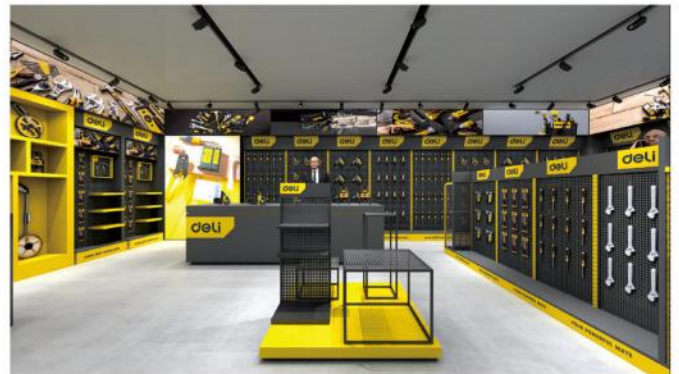

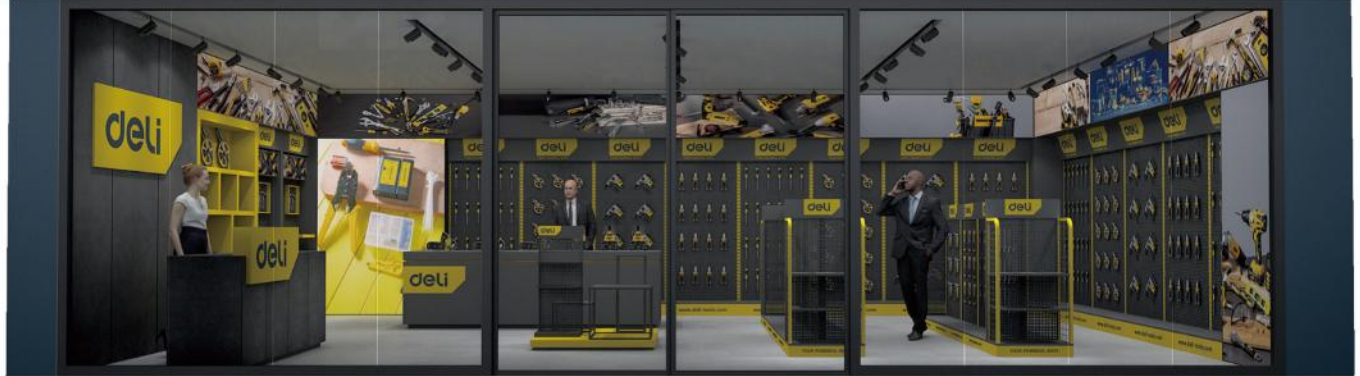

| Item #   | Spec.                    | Material        | Pack Qty |
|----------|--------------------------|-----------------|----------|
| DL556301 | 100x200cm(One person)    | Canvas material | 1/-/12   |
| DL556302 | 150x200cm(Double person) | Canvas material | 1/-/12   |
